

November 2016

Toddler Newsletter – Finnegan/Webber

Hello Toddler families. During the month of November we will be doing lots of fun things. We will start the month with “Air and Water Transportation” we have fun art projects about planes and will be playing with boats and water in our sensory table. The second week will be “Land Transportation” we will be painting roads with cars and washing firetrucks in our sensory table. To finish off the month of November our theme will be “Thanksgiving” we have lots of Thanksgiving stories, and will be exploring interesting nature things like leaves and what the inside of a gourd looks like. On November 21st and 22nd we will be having an all school feast. All the classes join together in the community room for a fun snack time to celebrate Thanksgiving.

Your toddler team,
Nan Webber and Allison Finnegan
