

Rainbow Room

January 2108

Dear Rainbow Room Families,

Happy new to you. Best wishes for 2018. We are looking forward to more awesome learning in the Rainbow Room. January brings the beginning of many more learning challenges for our students.

Our Fruit of the Spirit this month is kindness symbolized by strawberries. When the children look for their fruit this month it will have both first and last names on it to promote recognition of last names. Our daily prayer will be The Lord's Prayer (Our Father) and the snack prayer will be God is Great adding the second verse.

Our letters this month will be D, P, B, and R. Our Dramatic Play area will feature many winter activity themes as well as a Pizza Parlor for "P" week. What could be more fun to combat "Cabin Fever" than a Pajama Day and pizza making on January 18 during "P" week?

This month Art Appreciation will feature artist Vincent Van Gogh and his beautiful Starry Night. Kaleidoscope Art School will also visit us with a special art activity.

We will continue practicing writing our names beginning with a capital letter followed by lowercase letters. Math activities will include counting and numeral recognition through twenty.

It is so exciting to watch these young learners grow in knowledge and confidence in their skills. We are looking forward to a great month and New Year.

Sincerely,  
Lauren Pepper
