

Rainbow Room

January 2021

Dear Rainbow Room Families,

Happy new year to you. Best wishes for 2021. We are looking forward to more awesome learning in the Rainbow Room. January brings the beginning of many more learning challenges for our students.

Our Fruit of the Spirit this month is kindness symbolized by strawberries. When the children look for their fruit this month it will have both first and last names on it to promote recognition of last names. Our daily prayer will be The Lord's Prayer (Our Father). Children staying for the extended day will pray God is Great adding the second verse before lunch.

Our letters this month will be D, P and B. Our Dramatic Play area will feature many winter activity themes as well as a Pizza Parlor for "P" week. What could be more fun to combat "Cabin Fever" than a **Pajama Day** and pizza making on **January 19** during "P" week?

This month Art Appreciation will feature artist Vincent Van Gogh and his beautiful Starry Night. For Science we will be growing a class Amaryllis plant and our own crocus bulbs

Journals will be introduced this month for the children to express themselves with drawings and words. We will continue practicing writing our names beginning with a capital letter followed by lowercase letters. Math activities will include counting and numeral recognition through twenty.

It is so exciting to watch these young learners grow in knowledge and confidence in their skills. We are looking forward to a great month and New Year.

Sincerely,
Lauren Pepper
