Rainbow Room Newsletter

Dear Parents,

May is here and we are in the final month of preschool. We always enjoy reflecting on how much the children have grown and developed their skills since the fall. It will be a busy month as we pack as many activities as possible into our remaining days.

We are preparing many surprises for Moms as Mother's Day approaches. Our sounds for the month will be 'ai', "ee" and "ch". For the last week of school, Show & Tell will be the student's choice of anything they would like to show the class. Our morning prayer will be the Prayer Helper's choice of any prayer we have learned this year. Our "Fruit of the Spirit" will be Self-Control" -an important skill for Kindergarten.

We are excited to be going on a field trip Tuesday, May 11 to the Garoon Science Park. The bus will leave at 9am. This is an outdoor field trip. Consult the field trip form for more information.

The Rainbow Room graduation will be Thursday, May 27 at 6pm. Students should be in the classroom by 5:45 pm.

Despite the unusual circumstances this year, we have been able to continue with learning (almost) as usual. Thank you for all your support through the year.

Sincerely,
Lauren Pepper and Ruth Jones

Dates to Remember

Tuesday, May 11-Field Trip-Bus leaves at 9am

Thursday, May 27-Graduation 6pm-Students should be in the classroom by 5:45.
