

December 2021

Rainbow Room Newsletter

Dear Parents,

The Fruit of the Spirit for this month is "patience" symbolized with a grape shape. This is a great time of the year to discuss all the fruits of the spirit we have covered so far... "love, joy, peace, and patience". We hope your month is filled with all these feelings! The Jolly Phonics sounds will be "G (as in go), S, and J". We will celebrate "Silly Sock Day" during "S" week. If you don't have silly socks, your child can wear two different color socks. Our prayers will be "God in Heaven", and "Come Lord Jesus".

We have a busy month of activities; please check dates below for important information. Our classroom will be transformed during the month with holiday decorations and activities. We will continue learning and reviewing our letter sounds, working on our small and large motor skills, and utilizing our thinking skills while we enjoy our table, sensory, and block area activities. Please check the daily Shutterfly postings for up to date information. Our dramatic play will be a "Grocery Store", "Santa's Workshop" and a "Christmas House". We will be creating a class Christmas tree with pointillism for our art appreciation lesson about Georges Seurat. Math & Science concepts will include graphing, counting up & counting down (to Christmas), and discussions on our 5 senses.

Please continue to send your child with **appropriate outdoor clothing**. We will go outside if the temperature is above with 20 degrees with wind chill. We are always available to discuss any concerns or questions you may have. All the best to you and your family during this blessed holiday season!

Our class Christmas party will be Wednesday, December 15.

The Rainbow Room 4's - Ruth Jones & Lauren Pepper
