

January 2023

Toddler Newsletter – Loppnow/Katzbeck/Dever

We hope you had a wonderful holiday break and enjoyed lots of family time! We are excited to have the children back at school and welcome some new toddler families to Little Angels!

January will be a fun month as we learn about snowmen, penguins, polar bears, arctic animals and trains. We're planning lots of fun activities, music, art, sensory and fine motor work that involve all of these themes.

Reminders:

- **No school on Monday January 16th**
- **Please send in mittens and hats everyday. We love to get our walks and play outside when the weather cooperates. Also boots and snowpants if we do get snow.**
- **Diapers...if you can send 6 diapers in your child's backpack, that would be great.**

We look forward to a great January with our class! Thank you for sharing your children with us. They are such a joy and blessing!

Your Toddler Teachers,

Mrs. Laura Loppnow, Mrs. Katzbeck and Mrs. Dever
