

January 2024

Toddler Newsletter – Loppnow/Katzbeck/Bauer

We hope you had a wonderful holiday break and enjoyed lots of family time! We are excited to have the children back at school and welcome some new toddler families to Little Angels!

January will be a fun month as we learn about snowmen, penguins, polar bears, arctic animals and trains. We're planning lots of fun activities, music, art, sensory and fine motor work that involve all of these themes.

Reminders:

- **No school on Monday January 15th**
- **Please send in mittens and hats everyday. We love to get our walks and play outside when the weather cooperates. Also boots and snowpants if we do get snow. Label all items please.**
- **Diapers...Please send 6 diapers in your child's backpack if you haven't already. We will let you know when we need more.**
- **We love to hear from you. You can message us through the Bloomz app or email or text us at toddlers@littleangelspreschool.org**
- **We would love a close up photo of your toddler and a family photo for our classroom. Each toddler also got a picture block in their cubby to fill in with photos.**

We look forward to a great January with our class! Thank you for sharing your children with us. They are such a joy and blessing!

Your Toddler Teachers,

Mrs. Laura Loppnow, Mrs. Lynda Katzbeck and Mrs. Carolyn Bauer
