

## March Newsletter 2024

Dear Parents,

We had some amazing weather this month, hopefully spring will stick around!

Here is a look out our themes this month:

### **5 Senses - Sight and Touch**

During March we will conclude our 5 Senses Theme with Sight and Touch. We will use our sense of touch to experiment different art mediums and have some super fun activities at the sensory table during this week. We will read Who's Nose and Toes, explore animals with touch and sight, along with continuing to practice our fine motor with sensory puzzles.

### **St. Patrick's Day**

We will have some St. Patrick's Day fun during this week! We will explore all things green, experiment with color mixing, hunt for some leprechauns and chase pots of gold.

### **Easter**

We will close out March with our Easter theme. We'll bring in bunnies (not real), create with bright colors, work on our shapes and maybe sneak in an Easter Egg Hunt.

Looks like we will have some cooler weather ahead of us, so remember to bring coats, hats and gloves. Please label everything the best you can.

There is no school on Friday March 23rd through Monday April 1st for Spring Break.

### **Please Note: No school Monday April 1st.**

We hope you have a wonderful and safe spring break wherever you are spending it! Look forward to hearing everyone's fun stories of their trip and maybe seeing some pictures!
