

April 2024

Toddler Newsletter – Loppnow/Katzbeck/Bauer

We are heading into the final months of school now and there has been so much growth in our toddlers since just January and those that were with us since September- Wow! We'd love to chat with you about the developmental progress we've seen at our parent/teacher conference later this month. A signup is on Bloomz. If that day doesn't work we are happy to reschedule.

We are looking forward to some fun events and themes coming up this month. We will explore themes like Dinosaurs, Week of the Young Child, Springtime, and Rainbows. Your child's artwork will be on display starting next week for our school wide process art show during conferences and next week during Week of the Young Child. We also have special activities and snacks planned for next week.
