August 19, 2014

Greetings Little Angels Families,

August has been an incredibly busy month here at Little Angels. Although the school has officially been closed for the month, Mrs. Dreys and I have been working hard to get everything ready for the beginning of the year.

We are looking forward to having the teachers back next week for our annual orientation, training, and classroom preparation week. Please keep us in your thoughts as we prepare to welcome your children for another great year at Little Angels. We are eager to explore, play, and grow with your children this year.

We still have a few additional spots, so please send any families you know who are looking our way. We will you very soon!

Blessings,
Kara Joy Baker

CHANGES IN OUR STAFF

With the addition of a new room and new programming, we have hired some additional staff.

Roberta Ball will be joining the Little Angels staff as a 3's AM teacher. Possessing a degree in Elementary Education, she joins us with teaching experience at Noah's Ark and Salem Methodist Preschools.

Ann Dillon, mother of Finn Dillon, a current Little Angels student, will be teaching with Mrs. Dreys in the 3's AM class. A certified teacher, this will be an opportunity for Ann to return to the classroom following staying at home to raise her children.

Allison Finnegan will be teaching the 3's AM class with Mrs. Ball. She has recently completed training in Creative Curriculum (the curriculum we use at Little Angels) and is a certified paraprofessional through the Illinois State Board of Education. A mother of four, she has numerous hours of volunteering in schools as well as assistant teacher experience at Noah's Ark and St. Anne's Preschools.

Nan Webber will be working with our toddlers and 2's. She currently is working on her degree in education. Nan comes highly recommended to us for her work as a nanny from all who know her. A graduate of Barrington High School, she participated in the Little

Broncos Preschool Program which allowed her teaching experience as a high school student.

WE SAY GOODBYE--Carolyn Daleen moved to Lake Geneva this summer and was recently hired to teach in their school district. Ashley Keclik was hired yesterday for a full-time teaching job at a Catholic school in the city. Mary Mathison intended to teach at Little Angels this year, but was hired full-time by District 220. We will miss them at Little Angels, but we wish them well.
