Pastor Levi Lusko talks about hope in a world filled with pain and loss, including his own. He says, "It's not a manual for grieving, but a manifesto for high-octane living, & through it you'll see that God made you for a purpose. There's a wild and wonderful call on your life. Jesus wants you to look at the adventure of your life through His eyes, the eyes of a Lion."

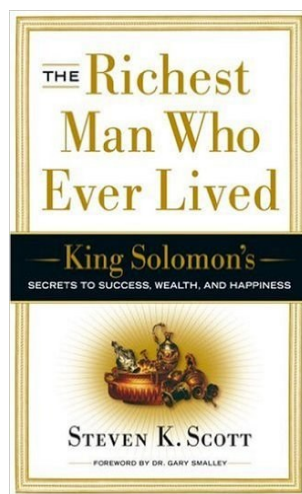

This book reveals the triggers of emotion and motivation, and why perceptual intelligence is much more powerful than emotional intelligence. This book will help you gain loyalty, coach people to their best & win friends. It will teach us to inspire change in others without causing resentment or resistance.

This is a message of value and a genuine desire for women to 'unite in friendship and cause' in order to bring hope where it's been lost. The Sisterhood is a story of God's daughters on the earth, changing their 'here and now' and looking to the future with expectation that God can and will use them to make a difference.

Your life has a unique roadmap, a purpose all its own, distinct and matchless to any other individual on planet earth. This path is ready for you to conquer, regardless of how far you are on life's journey, how many mistakes you feel you've made, or roadblocks you have come up against.

Steven Scott went from failing at every job he had in college to becoming very wealthy. In this short, powerful book, multi-millionaire and bestselling author Steven K. Scott reveals King Solomon's breakthrough strategies to achieve a life of success and personal fulfillment.
