Dear Friends,

Happy fall! Seriously, where did the summer go? I'm happy to report that this year's banquet is sold out. We expect it to be our largest banquet of record. I am elated and humbled by the response, but saddened to know we cannot accommodate everyone.

This year's banquet speaker will be Robia Scott, who played "Cheryl", Abby Johnson's Planned Parenthood boss in *Unplanned*. Many of you have seen the movie, *Unplanned*, and know that it continues to draw unprecedented attention. It has now launched internationally, raising insurmountable awareness on the atrocity of abortion, and is vastly changing hearts and saving lives. If you haven't seen the movie, I encourage you to do so.

While I love seeing so many people at our banquet each year, I prefer a one-on-one connection, which allows me to really share patient testimonies and how LaVie is turning dollars (your dollars) into acts of life-affirming, life-changing, and life SAVING restoration. Please know, I'm always available for a phone call, coffee or a tour of one of our clinics.

Now, more than ever, unborn babies are being dehumanized and the idea of "choice" is nothing more than an abysmal death sentence for God's most precious creation. I encourage you, right now, to let God turn your "pain into a roar" and decide how you will be a part of the pro-love, pro-compassion, and pro-life movement. Lives are literally depending on us... on YOU.

Thank you for your partnership! Thank you for making a difference for those without a voice!

All for His Kingdom's cause.

Cindy Nordstog, LaVie CEO

Thank You to all for making LaVie's 18th Annual Baby Bottle Campaign RECORD-BREAKING!

Did you miss this year's campaign? How about holding a winter Baby Bottle Campaign, or a date of your choosing? Contact us to find out how.

LaVie's Baby Bottle Campaign continues to be one of our largest annual fundraisers. The Campaign not only provides significant cash injection preceding summer, which is our busiest time of the year, but it also provides significant community awareness for new partnerships to be formed and potential patients gained.

We are extremely grateful that, once again, dozens of churches in Billings and the surrounding area made LaVie bottles available to their congregations in the weeks before Mother's Day.

We are happy to report this year's funding was at a new record high of \$64,677. These monies continue to be used to help meet the needs of mothers and their unborn babies.

With sincere appreciation, we thank everyone who donated to LaVie and to the many church representatives and volunteers who gave of their time and talents to make this fundraiser possible. We wish to recognize the following individuals for their help with wrapping, packaging, counting, recording, etc.:

Anisia Begger	Ronda Close	Ruth Hargrove	Isabel Kudrna	Carol Ruff	Mrs. McCoy and the students of Trinity Lutheran School Elevation Church Youth Group

Also, "Thank you" to First Interstate Bank for again providing us with one of their coin counting machines which saved us "countless" hours (pun intended) counting coins.

We would also like to extend a heartfelt Thank You to the many church representatives and participating churches. The following are the churches that participated in our 2019 Campaign.

Meet the 2019 Fall Fundraiser Keynote Speaker: Robia Scott

Robia began her professional career in Hollywood as a dancer at the age of sixteen. She danced in numerous music videos before traveling the world with Prince, starring as “Pearl” in his international tour, *Diamonds and Pearls*. She also graced the album’s cover and performed in multiple videos from the album. When the tour ended, Robia began focusing on her acting career. She appeared in over fifty national commercials and various popular television shows such as *Beverly Hills, 90210* and *Buffy the Vampire Slayer*.

Shortly after completing her three season stint on *Buffy*, Robia found Jesus and left a thriving career in entertainment to focus on Christian ministry. For the last fifteen years, Robia has traveled extensively throughout the US and internationally as a Christian speaker and teacher. She is the author of the book *Counterfeit Comforts; Freedom from the Imposters that Keep You from True Peace, Purpose, and Passion*, which can be found on her website: robiascott.com and on Amazon. More recently she has become a leading voice in the pro-life movement after playing the role of “Cheryl” the Planned Parenthood Director in the movie *Unplanned*.

Bibles for Babies

LaVie is partnering with Usborne Books & More to provide new bible books in the layette baskets for families who complete the “Earn while you learn” program. If you would like to help with this project, there are two ways to do so.

1. Feel free to shop these amazing books for your own family using the link below. Any purchases made under our program will go towards this fundraiser. For example, spend \$40 on books for your family, and \$20 will go towards purchasing bibles for our baskets. Usborne offers books for a wide range of ages from baby through high school.
2. Contribute financially. Don't have any kiddos to buy for? No worries. You can still contribute. For every \$1 you give, we will turn that into \$1.50. So \$40 will turn into \$60 worth of books for the basket.

A Patient Story by Jeanne, Our Lead Receptionist

Fear is a liar! It twists things around in our minds until up seems down, black looks white and what once was wrong now feels okay. This is where we met Addison.

*Addison ... a sweet young lady, mild tempered with a beautiful smile, even though fear had a grip on her. Addison was pregnant and fearful; afraid of telling her parents she is pregnant, afraid of not having enough time and money to support a baby, afraid in general of not being enough. Fear was tricking Addison into thinking an abortion seemed like the right answer for her. Addison had a supportive boyfriend who was against the idea of abortion. He wanted to parent his baby. Even with his support, Addison was still afraid. The question of "How am I going to tell my parents?" continued to come up. The nurse explained to Addison that if her parents knew she was living with her boyfriend, then they probably knew a pregnancy would be a possibility.

Addison's story is like so many other patients we see. Fear is holding them back, paralyzing them - fear of being a parent, fear of letting their family down, fear of not enough money, fear of the unknown. When a patient is allowed to work through those fears with someone who will listen, it can be LIFE CHANGING!

That is where we pick back up on Addison's story ... LIFE CHANGING! Addison broke free of those fears and chose life for her baby! She and her boyfriend started attending the "Earn While You Learn" classes at LaVie. They were like sponges, soaking up all of the information they could. They loved coming to class and earning free items for their baby like diapers, wipes and blankets. Addison and George are very excited to welcome a sweet baby boy into their lives this coming spring ... and they are not the only ones excited. Addison and George's parents can't wait to hold that sweet little grandson of theirs for the first time!

"For God has not given us a spirit of fear, but of power and of love and of a sound mind." 2 Timothy 1:7

**names and identifiable information changed to protect patient privacy*

"It is very helpful and I'm thankful that there are programs like this. I will definitely recommend this class to other mothers and fathers."
