## FUN WITH A CHRISTIAN EMPHASIS ON SPIRITUALITY

*In a world filled with the everyday challenges of life, the Church of God of Prophecy of Florida has made its mission one that strives to provide a camping experience that is exciting and enjoyable as well as educational and spiritual.*

*Our core values are on prayer, harvest (helping people find Christ), and leadership development (providing a spiritually healthy environment for leadership training).*

*It is our goal to provide every camper an experience they will never forget.*

## Christian Camping With A Mission

We seek to provide an environment of warmth, love, and friendship to every camper that attends SonShine Camp. We have developed programs that promote relationships and spiritual growth. Most importantly we strive to provide a camping process, that promotes growth in each camper's relationship with Christ.

**Camp SonShine** is located in the beautiful countryside of Central Florida. It is the perfect setting to pull yourself aside for a time of refreshment and relaxation. It is a time to meet new friends, and develop lifetime relationships.

**Camp SonShine's** programming includes, a variety of activities, including spiritual development, as well as time for meeting new people. Each day concludes with an evening of ministry. Campers gather in the camp chapel for worship, praise and the ministry of the word.

**Fulfilling our Mission:** Each year in the month of June, the Church Of God of Prophecy in Florida, hosts summer camping programs for young people all across the state.

Additionally, we provide a variety of retreats, leadership training programs and specialized ministry functions.
