

**THE CHURCH OF GOD
OF PROPHECY**

**A JOURNEY OF
PRAISE**

**FLORIDA STATE CONVENTION
DOUBLE TREE - BY HILTON
JULY 30 - AUG 2, 2015**

Greetings Florida Church of God of Prophecy, it's time to;

["Offer Up The Sacrifice Of Praise"](#).

We have come together from all across the great state of Florida to reverence and express our adoration to our heavenly Father.

Over the last two years many of us have endured hardships, encountered the pains of loss, and struggled with all kinds of uncertainties. But thru it all, we walked in the everyday comfort of the arms of a loving father. We were never alone.

As we made this journey, we had moments of great joy and peace. We have experienced the elation of GREAT VICTORIES. Victories that serve to remind us that the Apostle Paul was truly right when he said, ["in all these things we are more than conquerors through him that loved us"](#).

We are here in this 2015 State Convention to praise God as we journey to our 'Break-Through'.

Our God is truly worthy of all our praise. The psalmist David said in Psalms Chapter 150 and verse 6; ["Let every thing that has breath praise the LORD. Praise you the LORD"](#).

We have learned to praise God even in our pain and sadness.

Praising God is an act of faith. It goes beyond merely inward thinking, it engages us in an expression that declares we believe. And when things are bad, we can shout out our belief in the promises of God. This goes beyond mere thought. It takes on action in professing our faith.

We are here with our Brothers and Sisters from all across the state, united with one purpose and that is to continue this journey praising God.

Yes we will face the hardships, with praise.

We will face the struggles with a heart of adoration. And we will face all the losses with a heart set on glorifying God in all things. For He alone is worthy to be praised.

God alone is worthy of all our adoration.

So let us unite in our praise. Let us lift up our hands and hearts to heaven and show our heavenly Father just how much we really do adore Him.

David said, in Psalms chapter 121 & verse 1; ["I will lift up my eyes to the hills, from where comes my help"](#).

Florida, it's time to get excited! Let us attain our promises. Let us enter this time of refreshing with great expectation. Expecting a richness and resonating presence of God among us the likes of which we haven't seen in many years.

Bishop Dr., Robert F. & Maryann D. Davis
Florida State Overseer

Blessed Greetings to All,

"Praising God as we Journey to our Breakthrough."

I am told that the darkest hour is just before the dawning, the breakthrough of the morning light. There have been many times in my travels that when my flight left the ground there was nothing but darkness and clouds above, but as soon as the plane gained altitude soon the clouds disappeared and the light of the sunshine was bright. The light of the sun was always there. I just couldn't see it for the clouds. It is the same with the Son, with whom there is no variation or shadow of turning. I may go through some dark places on this journey of life, but as we "Praise Him," we will find He is always there to give us our breakthrough. No wonder the Psalmist said, "Let everything that hath breath praise the lord. Praise The Lord!"

Linda and I are delighted to be here to join with you in praise to the King of Kings and Lord of Lords. May this Convention be filled with highest praise. "Praise the Lord! For it is good to sing praises to our God; for it is pleasant, and praise is beautiful." Psalms 147:1

*Bishop, Dr., Sam & Linda Clements
General Overseer*

Blessed Greetings to All,

The Church of God of Prophecy has certain distinctions, which we hold dear; one of which, is our sense of "family." Throughout this convention, many will share a meal with friends. Talk and laughter will be heard in the hallways. Voices will be united in prayer, worship and song. You will feast on the Word, talk of all His wondrous works and learn from one another. Vision and priorities will be shared and the business of the Church will be enriched by joint participation so that at the conclusion of this time together, you will leave encouraged, energized and focused on a common cause.

The one thing that will set this convention apart from other gatherings will be those unrehearsed, unscripted, undeniable breakthroughs of the Holy Spirit. I am confident that God has a Fresh Word, a transforming touch and a compelling challenge waiting just for you.

As you lift your voices in praise to God, consider it a precursor to a future gathering in which ten thousand times ten thousand, and thousands of thousands from every kindred, and tongue, and people, and nation will be saying with a loud voice, Worthy is the Lamb that was slain to receive power, and riches, and wisdom, and strength, and honor, and glory, and blessing (Revelation 5:9-12).

*Bishop Tim & Kelly Coalter
North American Presbyter*

Greetings to you, Sister Davis, your office staff, the pastors, ministers, and the members of the Church of God of Prophecy in Florida!

May all be greatly blessed as you assemble for this biennial statewide convention!

My wife, Jan and I, look forward to being with you to enjoy a time of worship and fellowship. **“Praising God as we Journey to our Breakthrough”!** What a challenging and affirming theme! Where the Gospel and the Church are concerned, “Breakthrough” has a present-continuous sense, that is, we are constantly **breaking out** and **breaking through** in pursuit of God’s purposes and the Church’s God-ordained mission.

We are on a worshipful journey towards that newness and freshness that is God’s new creation. We exist to worship and to serve as we journey towards the “age to come.” We commend you and all those who have labored and served together these past two years. The Church in Florida has been and is being a blessing to many across this state and around the world. As the shorter West Minister Catechism answers, “The purpose of Man is to worship God and to enjoy Him forever”. So praising while serving is what we do.

May God continue to bless you and to enrich all the joint efforts of our people in this great state as we labor together for the cause of God’s Great Harvest.

*Bishop Adrian L. & Janice Varlack
Int’l Offices CBL Instructor & Church Historian*

I am delighted and thankful to the Lord for this opportunity to share in the 2015 Convention of the Great State of Florida. The Bahamas and Florida share a special bond for many reasons, but most of all because we are one people united in one body, servicing God in one Church. The State Overseer, Bishop R. F. Davis has truly been inspired of the Lord in choosing such an appropriate theme for such a time as this, “Praising God as We Journey to our Breakthrough”

We are in a time when we need to experience breakthrough in many areas of our lives, our church, our family, our communities and our world and the people of God must lead the way. While there will be difficulties and disappointments along the way, we must send up the praises and He will send down the blessings. Like the singers of Jehoshaphat’s day, we must praise our God, give him the glory and he will give us the victory.

I am thankful to Bishop Davis for his kind invitation to fellowship with the saints, be a blessing and to be blessed. As we face the challenges of this post modern world, I join you in faith as we praise our way to Breakthrough and may this Convention be the greatest ever.

*Bishop Franklin & Minister Rovena Ferguson
Bahamas National Overseer*
