

DISASTER RESPONSE: YOUR CHURCH CAN HELP

Typhoon Haiyan Hits Philippines

Dear Pastor,
Your church can **help now** as one of the worst storms in history has hit the Philippines. Please pray for children, families, and communities in the path of this dangerous storm, and pray for those working to assist those who are being forced to evacuate their homes. Pray especially that the damage and death toll from this emergency would be minimal.

World Vision continues to assess the damage and response necessary. Relief teams have already provided **emergency aid distributions** for 7,000 families. Shelter kits are also on the way for 4,000 families in the next six months of emergency response.

Please consider joining us by taking a special offering with your congregation for **World Vision's Philippines Disaster Response Fund**. Your contribution will help us deliver life-saving assistance in the aftermath of sudden-onset emergencies in the Philippines, like Typhoon Haiyan. Thank you in advance for helping families recover and rebuild.
