

Program Philosophy

The Portage Township YMCA strives to help participants grow spiritually, mentally and physically while providing challenging activities for children of all ages under the guidance of our caring and well-trained staff.

Gymnastics Staff

Our YMCA Staff are enthusiastic individuals who are experienced in providing each child with a safe, fun experience. Each staff member is a positive role model, dedicated to meeting the needs of each child in order to provide the best possible gymnastics experience. All staff members are trained in CPR, advanced first aid and best practices for Universal Precautions. The gymnastics Director and Head Coach, Cathi Srednoselac is safety Certified, Skill Evaluator Certified and Meet Director Certified.

Financial Assistance

Financial assistance applications are available at the YMCA Welcome Center. We hope to touch the lives of all children who love this sport, regardless of their family's financial status.

YOUTH GYMNASTYICS

Our affordable program teaches kids to have fun learning gymnastics skills through age-specific classes. Children learn skills on all four events (vault, uneven bars, balance beam and floor exercise). Benefits include: self-confidence, improved concentration, better coordination and flexibility. We encourage the practice of core values of caring, faith, honesty, respect and responsibility.
