

Everyday Faith

Bible Study and Discussion

Non-denominational
Free and open to the community
Tuesdays at 2pm in Studio C

This friendly and informal gathering will focus on a short passage from the bible and include a group discussion about how we might apply it to our lives today. Be inspired and transformed as we learn from each other and tackle topics like anxiety, stress, criticism, love, gratitude, and more in a biblical way.

This is a safe and non-judgmental space to explore God and your relationship with Him whether you are just curious and have limited knowledge of the bible or have read the Good Word cover-to-cover several times. All ages, backgrounds, and experience levels are welcome.
