

# COLON CANCER

HOW TO TREAT IT, BEAT IT AND PREVENT IT

**TUESDAY, MARCH 12 • 11 AM**

Portage Township YMCA  
3100 Willowcreek Road • Portage

***You are invited to attend this informative program about prevention and treatment of this very beatable disease.***

**Pharmacist Jonathan Guerrero, PharmD, BCPS**, will discuss colorectal cancer prevention through screening and colonoscopies. He will also address common treatments for those diagnosed with colorectal cancer.

**Roxanne Karnes, St. Mary Medical Center Cancer Care Services manager**, also will provide free take-home screening kits for attendees along with instructions on how to return and receive confidential test results.

**THIS PROGRAM IS FREE! REGISTRATION IS REQUIRED.**

**CALL: 219-836-3477 OR TOLL FREE: 866-836-3477**
