The Portage YMCA has been involved in child care for over 20 years. Y-Care kids explore and develop their interests and talents in our Before and After School Care program. With a focus on safety, health, social growth, and academic achievement, kids discover who they are and what they can achieve. Children can be dropped off at our secure, affordable childcare as early as 6:30 am and stay after school till 6:00 pm. For many working parents, this is a growing need. Transportation to Y-Care locations is provided by the Portage Township School Corporation.
