## Before & After School Care with Virtual Learning Support

In response to Portage Township School Corporation's decision to begin the 2020-2021 school year virtually, the Portage Township YMCA will be offering traditional before and after school child care with virtual learning assistance provided by Portage Township School Corporation Staff. We have significantly reduced the cost of care for families during these unprecedented times and YMCA Financial Assistance is available. The program will be offered at two sites and sites are grade specific. CCDF is accepted. Program enrollment is limited to Portage Township School Corporation Students Only with few exceptions. Spots are limited and registration is first-come, first-serve. Information on food program will be released soon. Y-Care is providing child care as an extension of the Young Men's Christian Association and is operating as an unlicensed registered child care ministry. Non-refundable \$30 registration fee applies per child.
