

IMPACT OF YOUTH SPORTS

The Y nurtures the potential of children through the YMCA's Youth Sports programming by strengthening character in our youth, engaging families, and building lasting relationships. The positive time with family and friends in this environment strengthens our communities. Youth Sports puts emphasis on healthy relationships between adults and youth as well as family, with a goal to build social skills and sport skills with all participants for the future.

THANK YOU!

Thank you for your support! Every dollar raised from this event will be used to ensure that ALL children in our community have access to quality sports programs regardless of their ability to pay.
