For the Conference

For the Country

For Future Ministry

Pray for God to open the hearts of Pastors and leaders.

Pray for the Political and Community leaders that God would lead them and that they would trust Him.

Ask God to meet the spiritual needs of those serving in Kitale and surrounding areas.

Ask God for safe travel for the New Life team and others to and from Kitale and Sibanga.

Ask God for safety as the political unrest continues to settle and tribal conflicts are sorted out.

Pray for unity within the believers of Kenya—that their love for God would cross tribal lines.

Ask God to open the eyes of this ministry team to His glory and what He is doing around the world.

Pray for God to use the gifts of the ministry team for His glory.

Ask God to raise up leaders in the Kenyan church who will disciple those who are young in their faith.

Pray for the salvation of unbelievers during this trip. "Every day their number grew as God added those who were saved." (Acts 2:47)

Ask God to raise up Pastors and leaders to take the Good News into the nations around Kenya.

Pray for the continued ministries of Pastor John and the other Pastors in Kitale.

Pray that those attending will share what they learn with other leaders that God may receive glory throughout Kenya and neighboring nations.

Pray for God's peace to be known throughout Kenya especially between the different tribes.

Pray that God raises up leaders and servants in our church and network to continue the ministry in Kenya.
