It's not too late to say Welcome to 2020! As the Youth Director, I am extremely excited about our plans this year! We ended last year with another awesome annual Cooke Walk on Sunday, December 22. I am sincerely grateful to everyone who donated their time and delicious cookies! We welcomed this year with a very successful Valentine's Day Celebration that gave big smiles to our youth and elders. We have some fun and different activities planned for the youth in the upcoming months, like rock climbing and the WGBSC Youth Explosion in July. Parents stay tuned and please get involved! We need your help!

BE MY VALENTINE
YOUTH LEGACY
SENIOR LUNCHEON
Sunday, February 23rd

Every year the L.E.G.A.C.Y Ministry hosts a luncheon that brings together young people and older adults. This year's luncheon 'Hearts on Canvas' focused on Deuteronomy 6:5-6: "Love the LORD your God with all your heart and with all your soul and with all your strength. These commandments that I give you today are to be on your hearts." It was Sis. Shelia Juarez's idea to have an afternoon that focused on expressions of kindness and love. The teens served over 65 seniors who enjoyed a delicious lunch and quality time together. The young people joined the elders for an afternoon of painting on canvas. It was an enjoyable afternoon for all! The finished art is displayed in the Coggs Hall.

A Special Note During Our National COVID-19 Pandemic

This newsletter was finalized right before March 10 when every aspect of our lives was altered forever. I thank GOD that we are able to share our Youth Department's activities...we can hold on to these great memories. Also, I thank GOD that I reached out to my Sunday School Class –Path Finders – to ask how we could stay connected virtually since COVID-19 keeps us physically separated. I encourage you to do the same, stay 'connected' digitally. Everyone is feeling more anxiety, depression and stress during this time; pray harder, love deeply and be at peace.
