PLEASE PRAY FOR:

S (B Vedvik's nephew) - His appendix ruptured last week. He's been on morphine & antibiotics. They wanted to get the infection cleared up before doing surgery. He took a turn for the worse this week. A CT showed multiple pockets of infection growing abscesses. He had emergency surgery on 8/21.

J Haverback (friend of Franck's) - J has had many heart attacks over the years. He has now been placed on a heart transplant list. Pray that a new heart will be found soon for him and that his body will not reject it. Also, pray for God's love to be shown to him through this process.

L & D Uhly - L is recovering from surgery on 8/12 to repair the tendons in her arm. D is recovering from surgery on 8/20 to fuse several vertebra in his neck. Pray for a speedy recovery for both and Gods presence through this time.

C Blakley (J Maertens brother) - Praise!! No surgery needed! Doctors removed the bile & pushed a special fluid that would show exactly where the bowel blockage was. After that, they determined the blockage had disappeared & planned to start him on fluids! Thank God that He removed the blockage & now that there are no more complications!

The family of **T Swanson** (friend of Mettlin's) as they grieve his loss from pancreatic cancer.

The family of **W Allen** (E Allen's dad) as they grieve his loss.

R (R Vedvik's sister) - Subsequent testing showed that R's pancreas does NOT have signs of cancer. She will be undergoing chemotherapy for the next 3 months, followed by radiation & chemotherapy for 5 weeks, before undergoing surgery to remove her tumor. Continue to pray for pain control, effective therapy, strength, & peace during this time.
