

Strengthen... Children, Families,  
Community

The Center for Children and Families is a merger of community agencies that works to ensure the safety, permanency and well-being of children & youth while strengthening families. We are dedicated to ensuring that every child has a loving, safe family to call their own.

The Center currently operates a full array of family mental health services, an out-patient chemical dependency program, programs specifically for youth between the ages of 16-21 who are aging out of the foster care system, supervised transitional sober housing for families in recovery from substance addiction, in-home services for families at risk of abused and neglect, and a Children's Advocacy Center which is a program working with children who are victims of sexual abuse.

The Center seeks to provide families choices and to identify and fill service gaps in our community. We also work to ensure that we act as a "bridge" for families to the multiple programs they may need to access outside  
The Center for Children and Families.

The Lutheran Center is a home away from home... Serving people of all faiths.

The Lutheran Center Hospitality House serves medical patients and their families with an affordable and relaxing home during their hospital stay and clinic treatments.

For the last 30 years, The Lutheran Center has alleviated some of the concerns of patients and their families by providing an affordable and peaceful home environment.

The Center is located near Billings' medical corridor, offering private bedrooms, three bathrooms, a complete kitchen, ample parking and laundry facilities.

With the support of the Jubilee, The Center hopes to increase their outdoor living space and install a back door handicapped accessible entrance.

The Lutheran Center's warm and welcoming environment supplies a hospitable and economical alternative to hotels, while providing physical and emotional respite during stressful times.

# We Need Your Support!

What a GREAT way to have fun, celebrate our community, and support two very worthwhile organizations. King of Glory Lutheran Church is sponsoring their 5th Annual Jubilee! They generously donate proceeds from the golf tournament and Jubilee auction and fundraiser to two community agencies. This year all proceeds will be split between The Center for Children and Families and The Lutheran Center.

HOPE TO SEE YOU ON THE GREEN!

\$100 per person (lunch is included)

- Individual registration
- Team Registration
