# Money Matters

Group time!! (7 Minutes)

**Scenario:** You have \$5000/month to satisfy the needs of your home and even some of the wants of your family. Bear in mind that you have a spouse and two children. How will you best manage your income versus your outgo?

# Money Matters

We cannot ignore the fact that even though money isn't everything, it's important. It's important to God, therefore, it should be important to us.

- Over 600 references to prayer in the Bible
- Almost 500 references to faith in the Bible

# Money Matters

- Over 2,350 references to money in the Bible
- One out of every 10 verses in the Gospels is about our attitude and management of riches, wealth, or material possessions.

# Money Matters

- Over half of the recorded parables of Jesus address money and material possessions.
- \*Our attitude toward material wealth is a measure of the altitude of our spiritual health.

# Money Matters

In essence, if our finances are out of order at home, they won't be in order at the church. So, we must determine what are "Money Killers."

# Money Matters

- Discontentment (Matthew 19:16-22)
- Debt (Proverbs 22:26, 27)
- Disorganization (Proverbs 21:20)

# Money Matters

We'll deal with these three principles practically next week.  
See you then!
