Confirmands: The youth were approved to be confirmed in June 2019: Matthew Edwards, Justin Gottlieb, Christian Gottlieb, Jordyn Kelso, Danica Propst, Dylan Walker and Rebekah Root (M/S/P: Mike Noll; Drew Catrow)

Budget Report: Bess Day, Treasurer. Income was up but was noted that there were only four Sundays in April, but five Mondays and deposits are made on Monday. Mustard Seed continues to show positive income over expenses and our initial investment continues to be reduced.

Pastor's Report:

Upcoming Events:

- May 18th – Caroline Furnace will come to St. John's to bring a "family night" program activities with dinner, games, and campfire complete with S'mores. It will be a good opportunity to promote church camp/ scholarship opportunities for our youth to attend Camp Luther.

- May 19th – Spring Work Day after church – painting Luther Hall and some smaller projects are planned.

- June 9th Confirmation Sunday
- June 23rd Pulpit Exchange

Other items:

- Shut-in visitation - due to the number of shut-ins, the Pastor is not able

to make frequent visits. Pastor has several church members who make visits, but the list is rather long. A discussion followed to assess whether some of those on the list would come to church if they had transportation. Pastor will investigate and see if some of them can be picked for church by other members. Possibility of investing in a van or small bus was discussed, although not financially feasible at this time.

Old Business:

Spring Work Day jobs list: Painting Luther Hall. Colors selected were Some future projects may include stripping and painting radiator covers, painting Pastor's office, colors selected were *Crème* for the walls and *Universal* Umber for the trim. (M/S/P:Jerry Crites;Jayne Kelley). Some future projects may include stripping and painting radiator covers, painting Pastor's office, prepping and painting the youth room.

Welcome Bags will be packed and distributed in June

New Business:

- New member request for Mildred Noll. (M/S/P: Jerry Crites;Drew Catrow)

- Drew expressed interest in cataloging the choir music to make it easy to identify and locate music. He suggested a software package which our Church Office already has. Drew has volunteered to go forward on this project.

- Drew presented a written request from Priscilla Horner asking for permission for WELCA to move into the room upstairs that is not used for the Mustard Seed. A calendar/schedule will be kept and the room would be available to others when not scheduled for WELCA activities. Currently WELCA has items stored in several different places on the main floor. Moving these stored items into the room upstairs will free these storages spaces for others to use. Additionally, WELCA would like to move lotus logo plaque currently hung in Luther Hall to the room upstairs. Council approved the move to the third floor as requested, relocating the Lotus plaque to hang within the upstairs room, and approved using up to \$500 from the Scrip fund to purchase shelving or cabinets. (M/S/P: Diane Shewbridge; Linda Payne)

COMMITTEE REPORTS:

Christian Education: no report, but noted that the last Sunday on Monday for this season would be on Monday, May 20th.

Social Ministry: Jerry reported the following:

- The Tea was very successful, well attended, delicious!
- May 18th, Caroline Furnace family night at 5pm
- A "back to school block party" planning is in the works
- Friends Feeding Friends will be on Saturday, May 25th

Evangelism: no report

LYFE: no report but Pastor and Austin are working on summer programs and activities

Worship and Music: no report

Property/Tech: Arrangements are being made to have the lighting improvements. Termites and carpenter bees were detected in the playground equipment. The playset was treated and children were kept off of the playset for the recommended safe time period. There is a window in the back of Luther Hall that has been softened by water coming in. This needs to be looked at and remedied.

Mutual Ministry: no report, but a quarterly meeting will be scheduled.

Stewardship: The flower beds outside Luther Hall will be tended soon. There are plans to include some perennials.

Mustard Seed: Interviews for the Mustard Seed director are underway with 3 candidates' resumes to be forwarded to the Mustard Seed Board for consideration.

SAFEGUARDING God's children

Protect your children. Protect your ministries.

Training Is Free

We are recommending anyone who works with children should take this training. Many states and insurance companies are in the process of making trainings like this mandatory. It is also a good stewardship to ensure that everyone in our congregation can worship and learn safely. **Recommended for all:** church leaders

> who have contact with children in the church who have a child or grandchild they love who care about children

The Next Training Session is scheduled:

At St John, Martinsburg—(split session): **Sundays, August 18 & 25, 1:30 to 4:30pm.** *In-order to get the full training, you will have to come to both sessions.*

Safeguarding God's Children provides participants with the information they need to protect the children they know and care for in their personal lives and in the ministries in which they serve. The program is based on the philosophy that if every adult can protect just one child, they will forever change one life. If we can each change one life, together we will make a difference in this generation of children.

Register by contacting Pastor Christine Olson by email: avcomen@msn.com.

Class Participants are limited to 20 for each session.

3 YEAR GOALS For St. John's

In the name of the Father, and the Son, and the Holy Spirit. Amen.

By November 30, 2020, we will:

- Increase Sunday worship attendance by 20% so that more people will be able to experience the great reward of being in a relationship with Jesus.
- Have 50% of the congregation's confirmed-membership fill out a Covenant so that we can seek out those ministry areas the Holy Spirit is leading us to do.
- Strengthen our physical involvement in community activities through participating in community organizations and schools.

Please pray over these goals and ask for the Holy Spirit to guide you in helping us accomplish our goals over the next year.

MILEAGE

Pastor Day's Mileage for the month of April was 621 miles.

My brothers and sisters in Christ,

As we find ourselves approaching another summer filled with many activities such as vacations, gardening, camp and so much more, I do hope that you can find some rest and relaxation. I recently planted my garden and I

found it to be very soothing and relaxing. Truth be told, I would love to be a farmer and being in my garden fills that desire.

Lately, Thomas has been wanting to play outside all the time so this spring was spent improving our outside area. I organized the garage, cleaned out a bunch of junk, and got busy with adding small touches to make outdoor living enjoyable. Since Easter Sunday, things have quieted down significantly. The quiet days mean I get to spend more time being a dad and husband. So, I hope you find some quiet, down time this summer. Spend it with the people you love and the people who love you.

We do have a few things to get ready for here this summer. Camp Luther and Camp Caroline Furnace is gearing up for their respective programs. If you haven't taken advantage of Summer Camp, please do. We have scholarship money available to send any child to summer camp with little to no cost for the family. I spoke with Pastor Jason who is the director for Camp Luther and if you decide you want to go camp on June 16, they will have a place for you. But do not wait that long, register now!

Vacation Bible School will be here before we know it. It is scheduled for July 7-11. The theme this year is "In the Wild" and we will learn about God's creation. It will be a wild adventure (yes, the pun was intended)! We always need volunteers so if you can help, talk to Shane and Jess Wagoner. And register by click on the link on our home page. Simply go to stjohnsmartinsburg.org and get signed up!

In the middle of May, we said goodbye to Michelle Seidel who has served as our director for the past 11 years at the Mustard Seed. After an extensive search, interviewing seven candidates, the board moved ahead and hired Christy Costello as the next director of the Mustard Seed. Christy has served as the Pre-K teacher her for the past 18 years. I just learned that her first class that she had here is graduating High School this year! Christy brings a wealth of experience and new ideas to the center. I am thrilled to have her here. **She will be officially installed into the Director's office on June 30 at our 10am worship.** This is a fifth Sunday so our theme this day is all things Mustard Seed. Please come out and meet Christy and celebrate what God is doing here at the Mustard Seed.

I am delighted to say we have seven confirmands who, on June 9, will publicly confirm their faith. They are Rebekah Root, Matthew Edwards Justin Gottlieb, Christian Gottlieb, Jordyn Kelso, Danica Propst, and Dylan Walker They have completed our two year program. Please join us on this special occasion.

I know with vacation and travel plans that it might be hard to join us for worship. Know that we keep going through summer with our mission to be proclaimers of hope. When you are with us, we sing louder, we pray stronger, and we see the Christ that is in you. Do not ever think that showing up to worship does nothing for anyone else. You matter here! I know travel will keep you away and/or it is really nice to sleep in on Sunday mornings. I get that, but we need you. You make a difference here at St. John's.

I also want to mention that we also need your financial contributions. I know money is a taboo thing to speak while at church, but our finances have not doing well. While we still have money in our endowment, if we continue on these trends, we will not have a sustainable ministry model. The summer is when we feel some of the greatest strain on our checking account. We still have bills to pay and while we try to go as lean as possible during these months, the summer months are scary. **Online giving is a great way to set up a schedule donation that will happen whether you can make it here on Sunday or not.** If you do not like online giving, remember that you can drop your envelop in any mailbox without a stamp. While we might be able to take a vacation, the mission of the gospel does not. **Thank you for your continued support of our ministry!!! We are who we are because of the people like yourself.**

In Christ,

PeAn//pk FH)a
