

2017 BELLO CHRISTMAS CONNECTION

It's been an active year for both the Bello family in the USA and our ministry team in the DR!

USA

- ❖ **Ethan (8) & Logan** played **Basketball...** skills shining
- ❖ **Ethan's dream came true** -- playing football!
Offensive & defensive starting line, team kicker, made blocks, tackles and even an interception.
- ❖ Both boys excel in **school**, especially math and reading. **Logan (7)** was named *Amazing Artist!*

❖ Itineration tour

We visited 80+ churches, spoke 130 times, had over 200 personal meetings with current or potential partners, and participated in 27 multi-church conferences. That's 500+ hours in the car, not counting the planes. Mostly we go all 4 together, sometimes just Jamie, or just Berly and every so often we divide and conquer two places at once. It took us to **WA (every corner), OR, ID, TX, FL, CA, MO and GA**. Some of you get this, but others ask what this "itineration" thing we do is all about.

❖ Sabbatical (Rest) to come

We are a bit weary... so quite excited for a **3 month Sabbatical** Jan-Mar. Back at it in April 'til we reach 100% budget. **We are at 82% monthly & 89% cash**. Please **pray with us** for both the rest & the budget goals. We desire to return to the DR at the top of our game – to put some God-sized dreams into action for next term.
