## RESIDENT OF THE MONTH CAROL MUNSON

I was born in Orth, Minnesota out in the country on August 1, 1930, the sixth child in a family of nine, to Carl and Nellie Gingerich. I don't remember much of my life there, except for the night before I turned six years old. I went behind a young colt and petted her on her back and she kicked me in the face, cutting my lip and rearranging my teeth! My folks took me to an old country doctor who stitched up my lip with seven stitches.

In the fall of 1937, my folks and eight brothers and sisters moved to Montana. My parents and five of us kids rode in a 1930's car. My three oldest brothers drove a big truck loaded with all our household items...beds, mattresses, cooking utensils, trunks, etc., plus a crate of young turkeys and a crate of chickens. Dad was the only one who could drive, so he drove until dark and then we camped and ate dinner. The boys followed in the truck. Since it was the Depression era, there were few motels, diners or gas stations. When we reached Montana, the boys took a wrong turn and they ended up in Scobey. Dad had all the money and they needed gas so they sold the crate of turkeys and bought gas and joined us again near Missoula, and we ended up in the Bitterroot Valley and settled in Victor. In December, my little brother was born...the only child to be born in a hospital! Sadly, he died when he was two, after contracting pneumonia. My dad bought a large farm west of Victor. He had seven or eight cows that he and my brothers milked and sold the milk to the local creamery. We always had horses, pigs, chickens and geese, raised a big garden, and Mom canned everything.

The oldest two boys worked at various jobs and the rest of us went to school. I always loved school and was a good student. I liked geography and English. I loved to read and draw. We had a typing, shorthand and penmanship class in grade school and I loved that class. I liked to write letters, and still do. My best friends were my sisters and we entertained ourselves by playing Hopscotch, jumping rope, playing Jacks and playing with our ONE doll that we three girls had to share for a week each! My mother made all of our clothes (boys and girls) on an old treadle sewing machine. We had no television, few magazines or newspapers. We had no electricity until 1945. Then Mom got a refrigerator and washing machine. The only car was the one Dad drove to work. He was a house painter and worked for Peterson Paint. They did painting and paper-hanging at the Daly Mansion. I was a cheerleader in high school and was a secretary to many clubs.

I am most proud of an accomplishment that I and my sister Helen achieved in 1948. I was a senior and Helen was a sophomore in high school. We were the State All Class Tennis Doubles Champions at the tournament held at the university in Missoula. We had no coach, no uniforms, and we had to bum a ride in a car with the track team! We won a gold medal in Girls' Doubles and I won a silver medal in Singles.

I married G. John Moore right after graduating from high school in 1948 and we had three daughters: Sandy Pettit, 65 years old of Darby; Patte Widdifield, 63 years old of Victor; and Luanne Bauman, 60 years old of Corvallis. I have two grandchildren and three great-granddaughters. During some of this time in the '70s I worked as a teller at Farmers State Bank in Victor. We divorced when the girls were adults and in 1980 I married Gayle Munson, who I had known since high school. This union brought my two stepsons into the family, as well as four grandchildren and two great-granddaughters. We have been happily married for nearly 36 years. We have taken many wonderful trips together. The most fabulous one was to New Zealand for five weeks with our dear friends, Ray and Betty Heasman, and we stayed with Ray's five sons who live there. Then we have taken all three Amtrak train trips...the northern, the southern and the central routes. We've gone to Hawaii, the Panama Canal, Mexico, New York, Washington, D.C. and nearly all the states.

We have been very community-minded, belonging and serving many organizations and clubs. We have belonged to the Victor Community Church for over 50 years and I have served as treasurer for 15 years. We belonged to the committee that arranged and planned the Victor Senior Center that was completed in 1992. I was the treasurer of that organization for 23 years. I have been a member of the Order of Eastern Star for 65 years and have served many years in various offices.

I had lived in Victor for 64 years when we sold the ranch and moved to Florence where we bought a new home in a lovely neighborhood. We lived there for 15 years. In 2015 Gayle had a mini-stroke. I broke my ankle and spent two months in a rehab facility. Then Gayle fractured his hip. We couldn't keep up our yard and garden, so we sold the house and have come here to the Remington to live and be waited on by a wonderful staff of helpers, and have made many new friends, and are enjoying it very much!

MEET OUR NEW ACTIVITIES STAFF MEMBER  
BRON ANGLEA

Hi! I am Bronwyn (“Bron”) Anglea. I was born and raised in Denver, Colorado before moving to South Carolina, where I graduated from college and met my wonderful husband, Dean. We have been married for 30 years and, yep, we still enjoy creamed eggs and grits for breakfast and drink our iced tea SWEET! The Lord blessed us with three amazing children, and then blessed us through adoption with three more. Ya’ll pray for me now — I have three teenagers at home!

We have lived in Montana for 17 year, and when I’m not playing with my stinkin’ adorable grandkids, I enjoy writing, quilting, flower arranging, classical music, ethnic cooking, playing the piano and planning events for our local church.

I am thankful for the privilege of serving our residents here at Sapphire by driving and helping with activities. I can’t wait to hear your stories and get to know and love ya’ll even more!

DEAR DIARY

Dear Diary, though late,  
I just have to say  
I had the most wonderful,  
fantastic day!

I walked in town  
and went to the county fair.  
I strolled around  
hoping to see some friends there.

I ordered some ice cream  
when he caught my eye.  
Tall and slender, with blonde hair-  
a handsome guy!

He caught me looking  
and flashed a bright smile.  
Then bold as brass  
he came to sit awhile.

Like a real gentleman,  
he asked my name.  
Blushing, I smoothed my dress  
and asked him the same.

To the carnival,  
he asked to escort me.  
My heart fluttered  
like wings of a dove set free.

He showed off with the hammer  
and rang the bell.  
Won me a prize-  
threw more balls than I can tell.

The carnival lights  
danced in his dreamy eyes.  
My true feelings for him  
I could not disguise.

It felt so natural  
when he took my hand  
and led the way  
to the cotton candy stand.

We bought a bag  
of fluffy pink and teal  
then bought two tickets  
for the Ferris wheel.

We stood in the line talking  
as the night wore on.  
We got in the seat  
and then the crowd was gone.

His lips touched mine-  
’twas carnival night true bliss-  
tasting of cotton candy...  
was my first kiss!
