## NEWS FLASH! Bible Study!

The early bird gets the worm!

Yes 9AM is early for most women, but those who are seriously looking for answers to their day-to-day challenges will do extraordinary things to get stress relief and peace in their lives.

As I obey God, I get excited as to how He works in my life. That's what I want for you. It's hard to make changes but the rewards are worth it.

These Principles will show you how to live a successful life.

## Titus 2 Women

The women will study "30 Life Principles"

Oct.2017-Jun. 2018

If you are....

- Frustrated
- Confused
- Stressed
- Over worked

This study is for you. When you start the day with God you have more peace and a more stress-free life; you get more time in your day. Come see how that works!

## This month's discussion.....

### Principle 1

Your intimacy with God—His highest priority for your life—Determines the impact of your life.

1. Made in God's image(Genesis 1)
2. A willing surrender (Psalm 37)
3. Resistance is foolish (Jonah 1)

Let's look at our circumstances and see how this principle impacts our lives.

We can accomplish more with each other than we can alone.

We are here to help each other live a better life.

Prayer can change things. We always have time to pray.

## A PRAYER FOR YOU.....

**Lord thank you for loving me. Please forgive me of the things that I have done wrong. Lord help me to learn of you and obey your commandments. I want to please you and see my life change in a good way. Help me be like the worm that turns in to a beautiful butterfly spreading joy on the earth!**
