## July and August 2018

*“The Lord bless you and keep you...”*

Do you have one of those friends where everything just seems to go their way? In every appearance, life just gives one blessing after another and in comparison, you simply hope for just one blessing?

Well I am sure that if we were to live just one day in the life of our ever-blessed friend, we would soon discover that not everything is as it seems. In the real life, we all experience the abundance of difficulties and the hope for just one blessing.

This morning, during my shower, I was reminded of how thankful I am that I have a warm shower, I am living in the USA, I slept the night in my own bed, it is not 120 degrees outside, I am not in danger every moment of my life and I am close to my family – I can even give my wife and son a hug and a kiss today. Not the case for every woman and man deployed right now in Iraq or Afghanistan.

Also, on my heart, are those that I know who are going through marriage difficulties, medical trials like cancer treatments or a sick child, addiction battles, underemployment, unemployment, unpaid bills, family relationship troubles, continuous caregiving, and seemingly never-ending rehab.

None of us seeks adversity but it comes to all of us. By faith we begin to believe that God has protected us from far more troubles than we could ever know. His daily blessing is keeping us from overwhelming harm. Our difficulties are also an opportunity for us to grow in our faith, “...now for a little while, if necessary, you have been grieved by various trials, so that the tested genuineness of your faith – more precious than gold... may be found to result in praise and glory and honor at the revelation of Jesus Christ.” – 1 Peter 1:6-7

It is also important to remember that the absence of trouble in your life does not mean that God loves you more. In other words, when you experience difficulties and trials and troubles, even overwhelming ones, it does not mean that God does not love you. The proof of God’s love is never the absence of trouble, but the Cross of Jesus. God loves you so much that He gave His Son to die for you – and because of this gift, you will one day be in paradise where there will be no more pain or sorrow.

No matter what your situation, believe that God is blessing you.

In Christ,

*Pastor Bob*

*“Speak to Aaron and his sons, saying, Thus you shall bless the people of Israel: you shall say to them, The LORD bless you and keep you; the LORD make his face to shine upon you and be gracious to you” - Numbers 6:23-25*

## TRINITY YOUTH NEWS! PRAYERS FOR OUR YOUTH AND CHAPERONES AS WE HEAD ON THE MISSION TRIPS

Vacation Bible School was a HUGE success, and we appreciate the hands and helping hearts of the many youth who took time this week to spend with children from Trinity and also our community. The youth were Christian examples all week, and we are very proud of each and every one who helped! We met every day that week from 8:30 a.m.-12:00 noon. The theme was "Shipwrecked". Songs, snacks, crafts, Bible stories, games and fellowship with other children were enjoyed by all!

Prayers are requested for safe travels and a safe trip for those attending the Mission Trips this year. Final touches are being put on the mission trips! The dates of the High school Mission Trip are July 7-14. Mr. Grady, Mrs. Geaschel, Mr. Edwards, Mrs. Satek and Mr. Bordak and twenty-two youth will head to Houston for Work Camp. The middle school youth will be heading to Minneapolis the week of July 22nd. Mr. Grady and Mrs. Ernst will be going with the youth and will be serving this community in various capacities! Again, we are very proud of each and every one of you attending as you serve this area.

You are all a blessing and we pray for a safe trip! Remember, you will all need your own air mattress!

Open Youth Rooms will resume in late August/beginning of September. Watch your Youth Newsletter, the Torch, Fast Direct and the weekly Bulletin Announcements for dates and times. Remember, you can always bring a friend. The refrigerator is always packed with snacks!

Summer Blessings!

## How God Uses Money in Our Lives (And How He Doesn't) (Part 2)

By Rev. Mark Bussert, Director of Stewardship

(This is a continuation of an article started last month. We noted that God uses money in our lives to strengthen our faith, develop trustworthiness and create relationships.)

4. God uses money to cultivate self-control. Self-control is one of the fruits of the Spirit (Galatians 5:23); as we follow God's guidelines for effective financial management, we learn to return our tithe (or more) to Him first, to save for the future, to live within our means, and to delay gratification.

God does NOT use money to induce us to satisfy every personal whim or desire. Though He is very generous to us, He does not intend for us to use His gifts only for ourselves, or all RIGHT NOW. He especially does not desire for us to go into debt to get what we want. Rather, He gives us abundance "so that [we] may have something to share with those in need" (Ephesians 4:28).

5. God uses money to clarify our spiritual maturity (to ourselves and others). How we use money is a good barometer of our character. Are we selfish, or generous? Are we disciplined, or reckless? Are we godly, or worldly? It's all visible in how we use money! Jesus said that "no one can serve two masters" (Matthew 6:24). Do you serve God or money?

God does NOT use money to turn us to idolatry or self-indulgence. As we become more spiritually mature, more disciplined, more conscious of His Kingdom, He provides the resources to fund ministries of compassion, service and Gospel outreach.

Yes, God has a definite design and plan for money in our lives! Are there areas where He can grow and improve you and your relationship with what He gives you?

 Thank you to all our wonderful volunteers who helped with close to 90 or more children each day. This amazing week would not be possible without you.

## Congratulations Walther Christian Academy Class of 2018!

Walther Christian Academy is delighted to announce that this year's graduating class received the highest total in scholarships and financial aid awards yet – more than \$12 million! Many students received awards from multiple colleges and three won

full academic scholarships, including one to Northwestern University. The Class of 2018 will be well represented at our regional Lutheran colleges this fall with seven attending Concordia University Chicago, four attending Concordia University Wisconsin, four attending Valparaiso University and one at Wisconsin Lutheran College.

Class of 2018 Valedictorians are **Sarah Davis** and **Hannah Arvis** (daughter of **Doris Ruff Arvis '86**) and Salutatorian is **Amanda Lams** (daughter of **Todd Lams '84** and granddaughter of **Ted Lams '61**). The celebratory trio are pictured to the right.

While things are a bit quiet at Walther this summer with no new facilities projects planned, the admissions staff is available to assist prospective families who wish to enroll either their middle or high school student. Contact [Alma Calleros@walther.com](mailto:Alma.Calleros@walther.com) to schedule a visit and learn more about the benefit of a Walther education.

### Where Blessings Abound Approaches the Finish Line

St. John member and Walther's Director of Development, Catherine Hegarty, reports that the Where Blessings Abound capital campaign is coming to an end. Less than \$40,000 is needed to fully pay off the \$1.2 million loan taken out to replace the heating and ventilation system which was installed 2015. Our local congregations, along with numerous individual church members, have blessed Walther with generous financial support throughout this campaign. While replacing the 60 year old heating system was the most urgent project, donors also funded improvements to Walther's athletic fields and helped increase security within the main school building, something that is vitally important in today's world. Donations for student scholarships and need-based financial aid awards were also generously given. Additional donations received before September 1<sup>st</sup> will help Walther retire their loan and complete their campaign. For more information, visit [Walther.com/campaign](http://Walther.com/campaign). Donations can be made online at [walther.com/donate](http://walther.com/donate) or checks can be sent to Walther Christian Academy, 900 Chicago Avenue, Melrose Park, IL 60160.

# Some things change, and others are eternal

by Lori Trinche

This year a long standing CareNet walk site partner in Hinsdale opted to choose a different date on their own later in the fall. This left CareNet without an important gathering site in our geographic area, where more walkers usually join in supporting CareNet's annual Walk for Life.

With prayer, and determined not to be discouraged, this afforded an opportunity to instead go to a walk site hosted by a sister LCMS congregation, Calvary Lutheran Church in Wood Dale, IL. What a blessing! Through past support efforts at Trinity Burr Ridge and from other supporting congregations, Calvary has been able to help many women and children through their Baby Bank. This Baby Bank opens twice per month to moms and babies in need - supplying diapers, wipes, and other material goods, along with spiritual support and a welcoming connection to the community it serves.

Upon checking in for the walk event, in addition to my walk pledges, I brought a bag of hand knitted caps and booties from a friend of CareNet at Trinity Burr Ridge. These were so greatly appreciated – babies saved through God at work in this caring ministry will be born just around the time knit caps and booties a weather necessity for newborns! CareNet asked me to convey thanks for all your support and prayers in addition to our annual baby bottle drive just ending.

At this site, I learned that 417 feet and 7/10 of a mile are important numbers to be aware of. 417 feet is the distance from the small, but mighty, CareNet office to the local abortion clinic - the distance between life and death. 7/10 of a mile is the distance from Calvary Wood Dale to the CareNet office at 132 E. Irving Park Road in Wood Dale. Along the walk route, a sign (pictured below left) on a local Catholic church serves as a reminder that “abortion stops a beating heart”.

Turnout was good for the event, despite the very hot weather. Walkers received many thumbs up and waves from the traffic on Irving Park Road. It was encouraging to see leaders and members from our other sister congregations in the LCMS, who are also active in helping to support CareNet's life-saving efforts.

The unchanging is God's gift of life – both physical life and eternal life. We give unending thanks, and lift prayers for the moms that choose life for their babies. We pray that through church connections, they would experience the love of Christ and be adopted into God's family.
