CHANGE FOR LIFE

Baby Bottle Campaign

It's time for our annual Baby Bottle Campaign, Change For Life, which runs from Mother's Day, May 12 to Father's Day, June 16. It's a fun way to obtain financial gifts to help support PSC and is a great opportunity for churches, businesses, and groups to have hands-on involvement. The idea is to encourage each family or person taking a bottle to fill it with their pocket change, currency or checks too! **If you would like to become a church or business coordinator or would like more information about Change For Life please give us a call at (785) 823-1484 or email info@pscсалina.com.**

Future Generations

by Director James Braaten

"Future Praises" is PSC's 2019 theme. As we trust God to work through us, we believe that our ministry will influence future generations. In 2018, He brought 674 clients to us for encouragement and support. We know of at least 126 babies born and at least five people who made professions of faith! It is through God's power that we can truly help our clients both now and for future generations.

This year we will celebrate the third anniversary of our center in Junction City! As announced last year, this center will soon become an independent facility called JC Pregnancy Center (JCPC). We will continue our financial support to JCPC in decreasing amounts over the next three years. PSC and JCPC will remain sister centers, and I am so grateful to labor alongside them. See Carrie's article for specific ways you can pray for JCPC and make a difference both now and for future generations.

As God has shown himself to be faithful time and time again, we rejoice knowing that He provides according to His will. He brings volunteer advocates, iDecide teachers, coaches, financial support, and so much more! We thank God for all of our partners who join in the work at PSC. We trust that future generations will praise Him as a result!

Let this be written
for a future generation,
that a people yet to be created
may praise the LORD.

Carrie's Corner

By PSC-JC Manager,
Carrie Carlson

But You, O Lord, are a God full of compassion and gracious, longsuffering and abundant in mercy and truth. Psalm 86:15

It is with a humble and grateful heart that I reflect upon all that God has accomplished at JC Pregnancy Center. God knew of the need here in Junction City and Fort Riley. He used PSC and its partners to start JC Pregnancy Center in 2016. He empowered the board members of PSC with vision and commitment. He added board members from Junction City. He brought greater community and church awareness. He blesses us through the continued support and encouragement from James and the PSC staff. We are thankful!

Many tasks and challenges remain as we push forward to launch independently. Please keep us in your prayers!

Points of prayer and praise include:

- We served 224 clients in 2018.
- We have applied for 501(c)(3) non-profit status.
- Ask God to locally supply 100% of our financial needs. In 2018 PSC partners supplied 70% of our budget.
- We have three board members, and are asking God to provide five.
- We need a medical director and radiologist.
- We need our own website and new building signs.

Another busy semester is underway for the iDecide sexual health program, and you can be involved! We have just finished eight weeks at Lakewood and South middle schools. Next will be Southeast of Saline, St. John's Military School, and the Tescott and Lincoln middle schools. We have thoroughly enjoyed working with the cadets and staff at the military school and will miss that group in the future. We are excited for the new opportunity to teach the 7th and 8th graders in Lincoln and send a special thanks to the **Beverly Community Church** for underwriting the costs.

There is always a need for help with iDecide, whether preparing supplies for the next group of students or hanging out in the classroom with us. **Call Francheska at 785-823-1484 to see how you can be a part of this exciting program.**
