## The Battle EXPOSED...

In 2008, the Pregnancy Service Center and the Salina Youth Ministry Alliance began a partnership to provide sexual purity retreats for teens. The goal was to offer a holistic message of purity that would counter the prevailing amoral stance of our sex-saturated culture. Nobody anticipated how many lives would be touched!

Since 2008, **Living Pants Up in a Pants Down World** has impacted over 1,100 students and sponsors through four biennial retreats. The Webster Conference Center was the site of the February 7th and 8th retreat. This year's theme was **Expose the Battle**. God guided our planning team and featured speaker, Jeffrey Dean, to a message that took us all the way back to the Garden of Eden.

**There is a battle for each of our hearts.** We desire God's best, but are lured away by false gods and empty promises. The issue isn't sex; it's much deeper than that. We've been seduced by the enemy to think that God is holding out on us. It's the same lie Satan used in the garden. Jeffrey Dean opened the eyes of students to the battle and the lies and equipped them from God's Word to prepare for the battle and win through Jesus Christ.

During the weekend, we saw incredible breakthroughs in the lives of many students! Between 20 and 40 students trusted Christ for the first time! Many others recommitted to serve God and live for Him.

**Thank you so much** for the prayers, contributions, and volunteer hours that made this retreat possible. Volunteers provided between 300 and 400 hours of service as planning team, band members, registration helpers, set designers, merchandise table managers, panelists, and set-up and tear down crews. What a blessing to see so many give their lives to Christ, *expose the battle*, and commit to living a pure life in a world that certainly suggests otherwise!

change for life

It's time for our annual Baby Bottle Campaign, **Change For Life**, which runs from **Mother's Day, May 11 to Father's Day, June 15**. It's a fun way to obtain financial gifts to help support PSC and is a great opportunity for churches, businesses, and groups to have hands-on involvement. The idea is to encourage each family or person taking a bottle to fill it with their pocket change, currency or checks too!

If you would like to become a church or business coordinator or would like more

## Expanding Our Reach

WE HAVE GREAT NEWS TO SHARE! In December 2013, a group of anonymous donors provided \$194,400.00 allowing us to purchase and operate a medical mobile unit from Image Clear Ultrasound Mobile. Over the past few years the Board of Directors and staff have seen the need to expand our reach into areas not currently served by a crisis pregnancy center. The mobile will be spending time in South Salina, Geary and Dickinson Counties — all beginning this June! The mobile unit will enable us to provide pregnancy testing, limited diagnostic ultrasound, and options counseling — free of charge to people in need! Please be praying for all of the details involved! Stay tuned for more information in future newsletters!

PSC's new outreach on wheels!

### TEACHING ABSTINENCE and WHOLESOME SEXUALITY

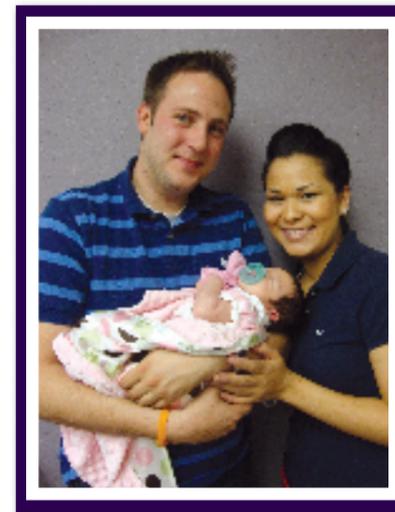

The message of human sexuality has changed a lot in the last century. What was once a topic rarely addressed, has now become one that is plastered all over prime time television. There is a lot of confusion around this subject especially for the younger generation. In church the message has often been, "Don't do it!" Elsewhere young people are hearing, "Do what feels good to you." We think there is another, better way.

PSC's sexual health and relationships program, iDecide, speaks a positive message to 7th and 8th grade students. We created the 16-session curriculum based on proven activities and concepts. The goal is to educate, equip, and empower students to choose a healthy and safe approach to sexuality. High standards and strong boundaries before marriage will enable students to later experience healthy and safe sex in the context of a faithful, lifelong marriage relationship.

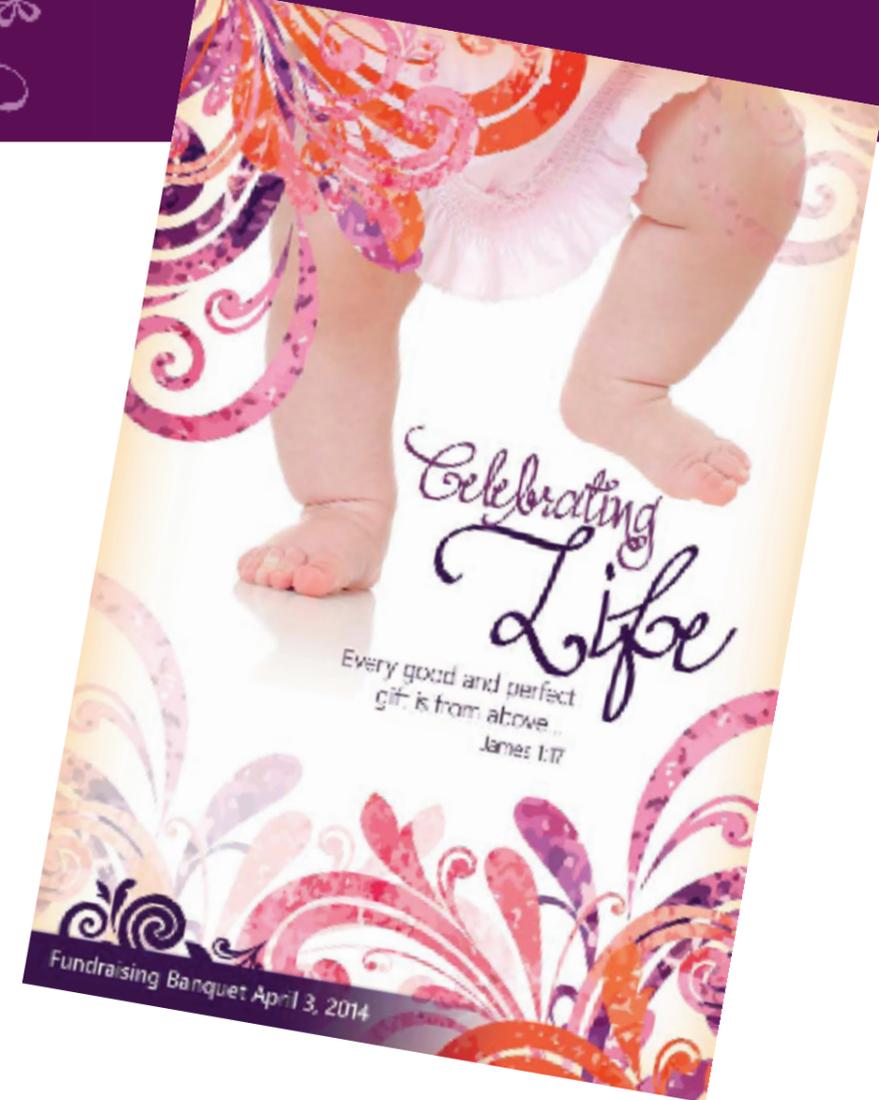

Have you felt God tugging on you to bring the positive message of human sexuality to students? If so, we'd love to explore this more with you and talk to you about the possibility of becoming an iDecide instructor.
