PSC on Wheels!!

JUST NINE MONTHS after touring an ICU mobile unit

at a Care Net conference, PSC gave birth to its own pregnancy center on wheels! ICU Mobile North Central Kansas hit the ground running on June 3. In Phase I of the launch the mobile was deployed to Junction City on Tuesdays, Abilene on Wednesdays, and south Salina on Thursdays.

Mastering the Nuts and Bolts

The learning curve was steep as staff adjusted to driving a 31 foot vehicle, mastered the nuts and bolts of the vehicle including dumping, and devised a system for client flow in tight quarters. The mobile pit crew, a men's ministry group from First Covenant Church in Salina, is assisting the ICU staff with regular maintenance.

We're So Glad You're Here!

The modern miracle of ultrasound enabled clients on the mobile to see their unborn children. Women facing pressure to abort received support to follow through with their

choice for life. Community agencies in both Junction City and Abilene expressed this sentiment: "We're so glad you're here!"

Where Will It Take Us?

PSC supporters through their prayers, generosity and cooperation have allowed the ministry to expand beyond Salina. As the impact of the mobile unit spreads, it will be exciting to see how God touches lives in the new communities we are privileged to serve.

PSC supporters seek God's blessing.

Celebrating Life at the PSC Banquet

Every good and perfect gift comes from above...
James 1:17

"Tonight we celebrate 13 years of GIFTS! What a gift it has been to share the love of Christ with more than 5,000 men, women, and children!" With these words, Executive Director Tina Price welcomed guests to the 2014 fundraising banquet. "Celebrating Life" was the theme as close to 340 members of the PSC family gathered at the Salina Country Club to celebrate life and be uplifted and encouraged by what God is doing through PSC.

Table programs detailed PSC's 2013 "Eternal Statistics:" 531 clients served, 177 babies born, 378 educational classes attended, over 4,000 diapers distributed, more than 557 students served through abstinence presentations, and seven professions of faith!

A highlight of the evening was the big reveal of PSC's newest blessing: a 31 foot mobile unit equipped with ultrasound and constructed to be a pregnancy center on wheels! Tina shared the amazing story of how the board and staff saw the mobile unit at a national conference in October, brought the idea back to Salina, and asked our prayer partners to join in seeking God's will. From the day after Thanksgiving until just before Christmas several partners generously made

donations totaling \$194,400 — enough to purchase and also operate the mobile for an entire year!

Adam Barton, Fleet Manager of ICU mobile, was the banquet speaker and shared inspiring stories of clients reached and lives saved through the use of mobile units in other cities. Already we have seen the ministry expanded and lives saved and impacted through the use of PSC's mobile unit.

We are so very grateful to banquet underwriters, table hosts, the banquet committee, financial partners, and the entire PSC family. Your faithful sacrifice encourages life and purity and provides a foundation for healthy families. Your investment will yield eternal dividends. THANK YOU!

Speaker Adam Barton, Director of Fleet Development.
