## Life Beyond the Pregnancy Test

Does the Pregnancy Service Center offer help beyond pregnancy tests and ultrasound services?

This is a common question here at PSC, and we can confidently answer "YES!"

Proud parents of Colter, born February 19th, participants in the PSC Mobile Unit's new Coaching Program.

PSC is dedicated to helping women and men choose life for their babies. Through our **Earn n Learn** program we are also dedicated to guiding women and men into an abundant life. **Earn n Learn** provides opportunities to grow physically, intellectually and spiritually through participation in both group classes and one-on-one coaching.

### PSC's Coaching Program

Coaching is one of our newest programs encouraging men and women to become better people, partners, and parents. In PSC's coaching program trained coaches meet with their clients once a week for six weeks.

PSC Coach Kendra Albin has continued a relationship with one of her clients and

comments about the positive changes she has seen in her client. "She's praying more. She said that she's off her anxiety meds and becoming a better parent." Kendra also shares about her experience as a volunteer at PSC. "It's been a blessing in my life. It helps me know how the world is out there and keeps me in tune with what's going on in society."

Coach Pam Maine states, "Coaching has been such a blessing to me. God has opened my eyes and my heart and is teaching me a side of compassion that I have never before experienced. I have seen extremes in my clients as far as family background and support, education, personality, and religious beliefs. The one thing they all have in common is a tiny little creation from God growing inside of them that

## CHANGE FOR LIFE Baby Bottle Campaign

It's time for our annual Baby Bottle Campaign, **Change For Life**, which runs from **Mother's Day, May 10 to Father's Day, June 21**. It's a fun way to obtain financial gifts to help support PSC and is a great opportunity for churches, businesses, and groups to have hands-on involvement. The idea is to encourage each family or person taking a bottle to fill it with their pocket change, currency or checks too!

If you would like to become a church or business coordinator or would like more information about **Change For Life** please give us a call at **(785) 823-1484** or email **Tina** at [tina@pscsalina.com](mailto:tina@pscsalina.com).

they need to know how to love, support and nurture. That is a giant and humbling task, but one I am so thankful to be a part of. I have been blessed to pray for my clients, share the Gospel, and plant seeds of hope. I recently received a thank you card from a former client: *'I read the devotion book to my child often, and all the diapers I got through the program are very helpful. But those are just the small things. You have helped me become a better person.'*

### PSC Mobile Unit Making an Impact

One exciting advance is the addition of coaches in the Abilene area for clients from the mobile unit. These clients have the opportunity to be connected to a coach through the Dickinson County Life Center (DCLC). Abilene area churches are partnering to connect clients to coaches, churches, and material assistance. It's been great to see the people of Dickinson County rally together to help others!

Recently a client's mother stopped by the mobile to say thank you! Her daughter and boyfriend were coached by a couple of the DCLC. The mother shared that the coaches made a great impact on the young couple, especially the boyfriend as he heard from another man.

Group classes address three main topics: parenting, relationships, and childbirth. Volunteer teachers spend time getting to know the class participants and often connect in such a way that the relationship doesn't end when class ends.

John and Evelyn Hyde teach our **Love and Respect** class that helps couples work through conflict resolution from a Biblical perspective. After clients complete the class they receive a date night package of dinner and a movie. A graduating couple texted: "What a great gift! We will definitely take advantage of this date night package soon. Thanks so very much."

### Would You Like to Coach?

We are in need of men, women, and couples. **Please RSVP to Todd at [todd@pscsalina.com](mailto:todd@pscsalina.com) or 785-823-1484 by April 27th if you would like to attend the training.**
