Practicing Fall Stewardship

Saturday, September 22nd to
Friday, December 21st 2018

1. Bring Your One Sunday

The fourth Sunday in September is our Annual Homecoming. We are asking you, as a disciple of MMBC, to bring at least one unchurched person with you on that Sunday. You will have the opportunity to introduce your guest to the congregation during worship. Your guest is also invited to have breakfast and lunch with us in the lower auditorium.

2. Congregational Read

The Color of the Law: A Forgotten History of How Our Government Segregated America by Richard Rothstein

This will better help us as a church to understand what is happening in the community in which we worship. It will also help us to better understand why we as a church are investigating the possibility of development on our current church site.

3. Twenty (20) hours of Community Service

This Fall volunteer at least 20 hrs. at MMBC or away from MMBC. Please journal your experiences to share at a later time.

4. Make A Sacrificial Gift during the Fall Season of \$250.00

You can pay it all at once or you can pay it in installments.

LISTEN TO THE SERMON

Listen to the message from God's Word. Use this space to make personal notes. Go over them through the coming week. Let God crystallize these Truths in your life.
