

Mt. Moriah Baptist Church Outreach Project Request Form

Mission Statement Our Mission is to lead souls to Christ, to demonstrate the standard of Christian living and to spread the Gospel of Jesus Christ.

Vision Statement The purpose of MMBC is to glorify God by being fruitful disciple makers of Jesus Christ. The spiritual target of MMBC is the unchurched, the uncommitted, the unevangelized, and the unreached.

Important Outreach Instructions:

1. Each ministry of MMBC is required to complete two Outreach Projects for the year. One of them must be completed in Ward 6.
2. Please remember that the Outreach Project is a service element that is performed for persons or organizations outside the church setting.
3. Visiting our sick and shut-in, sending cards or doing a particular service for members is not an Outreach Project.
4. There are many service organizations and volunteer opportunities in our community, so be sure to do the research and discuss possible options with your ministry and work together to complete your Outreach Project in a timely manner.
5. Ministries may combine and collaborate on Outreach Projects.
6. This Outreach Ministry Request Form is to be completed and submitted to Pastor Dalton 30 days prior to the scheduled date of the activity/event. He will review all requests and your ministry leader/coordinator will be contacted if additional information is required.
