

Dear Parent(s)/Guardian(s),

During the 2016-2017 school year St. Anthony School will continue to be a “PBIS School.” PBIS stands for “**Positive Behavior Intervention and Supports.**” This program focuses on defining, teaching and practicing appropriate student behavior in different places throughout the school. Students have taken an active role in this system by role playing appropriate behavior. We will concentrate on role playing the first few weeks of school. You will notice PBIS posters throughout the different areas of our school. Our school motto is “**Spiritual, Accountable, Studious.**” Students will receive an “acknowledgement” ticket if any staff member notices him/her exhibiting these special characteristics. Students can earn tickets and redeem them for prizes or special privileges.

We are excited to recognize appropriate behavior and honor those who do their share in keeping SAS safe, faith-filled and a positive learning environment for every child. Please email me if you have any questions or concerns about the PBIS program.

Thank you
