In her most personal book to date, much loved author Anne Graham Lotz looks at a deeply painful question: ***“What do we do when we suffer rejection and hardship at the hands of other believers?”*** Drawing on the story of Hagar, Abraham's mistreated servant, Anne shares the good news of healing and hope, offered by a God who loves us all - especially those on the periphery. An inspiring blend of Old Testament narrative with the author's own experience, this is a book that will show you that, just as Hagar found, “You can't outrun God.” Anne leads those who have been hurt by God's people on a path of discovering the healing power of God's redemptive love.

If you have been hurt by people in the church, or perhaps you are guilty of wounding and offending others in God's name, or maybe you are caught up in a generational cycle of pain...then this class is for you.

You will discover how to:

- Walk through the steps of the healing journey
- Break the cycle of pain
- Allow God to restore your comfort, peace, hope, and joy
- Experience a greater awareness of His presence...and much more!

Hagar encountered God in the desert and addressed Him as *El Roi*, “the God who sees me.” *We serve a God who sees us, both the wounded and the wounder, and in the desert places of our lives, He brings hope, healing and restoration.* The renowned author will join us on at least one occasion via technology during our class time.

“In wounded by God's people, Anne bravely and with vulnerability, brings this issue to light, and then gives us a solution; a salve to soothe the wounds of the offended.”

Priscilla Shirer, New York Times bestselling author of *The Resolution for Women*
