lieve that Jesus is the Son of God. He was born in Bethlehem of Judea. He was the long-awaited Messiah. Jesus, spoke to the people and said, "*Follow Me, you won't have to walk in darkness, but you will have the light that leads to life.*" [John 8:12 NLT](#)

**Congregation:** That same Jesus lives today in us. We give Him our highest loyalty and total commitment. In Jesus, our love is consummated; our joy is complete; our peace is perfect. A savior is born, indeed. Jesus is born today his birth — the one who *is* the "light."

**Minister:** The "*light of all mankind*," comes from Jesus. He shines everywhere to dispel darkness everywhere. He is the one who finally reveals the world and all its secrets.

And with deep love and compassion, Jesus forgives our every gift and every flaw, and chooses to live in us. He is the very foundation of the good news.

**Prayer:** Living Christ, be born again in our hearts. You were formed for You, to not dwell upon the past but to live into who we are now, to build up our lives as it is in heaven. May we remember this miracle all year long, as a promise and pledge to live by Your Word. Amen.

**Minister & Congregation:** Let us light the candles in the circle as we rejoice in the light that shines in our hearts and with hope – **Joy to the world, the Lord has been born!**
