## Pastor's COLUMN

By Rev. Mark Eldal

Recently, in a Sunday morning Gospel Lesson we read of Jesus asking his disciples who they believed him to be. Peter responded with his wonderful confession of faith in which he stated that Jesus was the Messiah, the Son of the living God.

Jesus then said flesh and blood had not revealed this insight to Peter but rather his father in heaven.

This passage is interesting because it reminds us that ultimately faith in Jesus is a gift that comes through the working of the Holy Spirit in one's heart and life. It means that when I entrust my life to Jesus and ask him to be my Savior and Lord I am able to do this because God in his mercy has brought me to this place of faith.

Jesus then goes on to state in this passage that upon Peter's confession, upon this gift of faith, he would build his church. It would be through faith in Jesus that God would establish his kingdom and bring people into an eternal relationship with himself.

The exciting calling we have as the church is to share the love and forgiveness of Jesus in such a way that the Holy Spirit can work in the hearts and lives of people and bring many into a relationship with Jesus.

As we trust in Jesus, may we find delight in inviting others to entrust their lives to him.

God bless,

Pastor Mark

The church council met June 26, 2017 at 7:00 p.m. In attendance were Greg Johnson, Carole Johnson, Sam Schmidt, Linda Jones, Jon Seagren, Jim Pelan, Mona Tanksley and Pastor Eldal. After devotions were given by Mona, the minutes of the previous meeting were read and approved. Pastor presented his report for June listing his activities up to the present time.

The treasurer’s report was not available at this time.

**The Property Committee** reported that the air conditioner has been installed and the old one has been serviced. It was reported that Nathan Anderson has talked with Bryson Peterson regarding the rental of the lift that will be used on the exterior painting project and a lower price has been negotiated. The painting project is scheduled to begin in mid-July. The downspout has been fixed and additional dirt filled in around it. The broken window wells have been removed. It was reported that the digital part of the organ is not working and that repairs are to be done this week. It is planned to get on a schedule to have the organ serviced annually. Lastly it was noted that the southwest corner of the sanctuary has some areas that need some touch up paint.

**New Business:** The coffee pot used for Sunday mornings is not working well and purchasing a new one was discussed. It was reported that the Chamber of Commerce has sent a letter requesting a donation for the July 3 party in the park. At this time, we chose to pass on making a monetary contribution. Some people from Sweden have asked to come and photocopy our church membership records. They will take this historical information back to their country and have it available to those researching emigration data. We will receive a copy of the records they photocopy on a flash drive. It was noted that the youth group will be doing yard work in the community this Wednesday. Jim reported that he has trimmed a tree on the north lawn of the property that appears to have been struck by lightning.

**The Evangelism Committee** had no report, though it was reported that a schedule listing youth events will be made and published in the Spire.

The next meeting will be September 11 at 7:00 p.m.

**Communion Helpers:** July 2 - Karl Lundquist  
August 6 - Greg Johnson  
September 3 - Carole Johnson
