

## VINE MAPLE PLACE -- CARE CLOSET SUPPLIES LIST

The Care Closet meets the needs of basic hygiene products for VMP families. While Moms and Dads are at VMP busily working towards stability, they can grab what they need for their family from the closet. This helps reduce their budget and saves them time and gas going to the store.

No need to purchase all items. Any quantity is appreciated. Most items can be purchased at the Dollar Store, or in bulk at Costco.
