THE GOSPEL IN A NUTSHELL

Christianity is a way that says if you come to Jesus Christ, even if you aren't good and decent, even if you aren't wonderful, and even if you don't have a good record, anybody through Christ can find God. Somebody says, 'How can that be?' Let me just put the gospel in a nutshell: because Jesus Christ lived a perfect life and died a perfect death, now God treats you, when you believe in Christ, as if you have done everything Jesus has done and you have suffered everything Jesus has suffered. God treats believing sinners as if they had done everything Jesus has done and suffered everything Jesus has suffered.

That means when you believe in Christ you're adopted not on the basis of your record, but on his record. You're adopted into the family and treated as if you'd accomplished everything he's accomplished. That's the gospel. Somebody says, 'It's too easy.' I don't know how many times people have said, 'That's just too easy. You mean you just receive it?' Yeah, but you have to receive it through repentance, and that's what's not easy at all. The only way to get to that peace is through paying the pain of repentance. In other words, all you need is nothing, but most people don't have that.

WOMEN

BREATHE: Making Room For Sabbath **March 19**

Monday nights at 6:00 **Led by Dena Oliver**

One of the greatest challenges among women in our culture is taking time to cease from all the activities and just breathe. We are in bondage to busyness. We constantly strive to complete the limitless to-do lists that hinder us from experiencing all that God has for us. By neglecting time for tranquility, serenity, and repose, we limit our Christlikeness and miss out on some of God's greatest gifts. In the Old Testament, Sabbath was given to the Israelites as a gift, and it is still a gift to us today. If you are weary, worn out, and exhausted, then the concept of Sabbath will change your life.
