

The Road Church Online Giving Instructions

Go To www.myroadchurch.com – click on “giving” and then online giving box

1. After putting in your name and information (OR after selecting “Quick Give” without personal info)

2. The best advantage (or cheapest costs to the church) is if you select “use Check” option. This will save the church a substantial amount of money in fees for processing the online giving. If giving via a debit card, you might prayerfully consider adding 3% to your gift to cover the online processing fees.

For One Time Giving ---In “Give Now” the use check option is found in the upper right corner on page with “My Donation” heading – click the image of a check

For Scheduled Giving (or recurring) – “use check” is still found in upper right corner – image of check
