*Following Jesus... Reach, Grow, Go... Real Life with Real People*

## **Confessions of a Wanna-be Disciple**

“Follow Jesus – Reach, Grow, Go – Real Life, with Real People”; this has been our purpose/mission statement for the past number of years. It is the guiding principle that will lead us into our next 100 years. But to do so, we need to know exactly what it is we are saying with that little phrase.

What does it mean to be a follower of Jesus? In the Scriptures we find several different categories of individuals associated with Jesus: interested people, followers, disciples, and apostles. “Apostle” was a specific term that Jesus used for His closest disciples. “Disciple” was a term used for those followers who heard Jesus’ call to follow Him and actually did. “Followers” were generally those who saw Jesus as interesting – someone who had reached “celebrity” status – or those who were looking for a deliverer from oppression, and maybe Jesus would be the one. “Interested people”, were just curious by-standers.

So what is Jesus looking for from us – certainly a follower – but more, He wants us to be disciples. To be faithful to the intent and meaning of our purpose/mission statement, Jesus is looking for DISCIPLES.

Greg Finke in his new book: “Joining Jesus, Show Me How” offers this definition of a disciple. “A disciple follows Jesus: in order to become *like* Jesus (through baptism *into* Jesus and training *by* Jesus); so that he/she can participate *with* Jesus on His mission as a daily lifestyle; and show others how to do the same.” (pg.91, “Joining Jesus, Show Me How”) We find out how Jesus trained disciples, what it means to follow Him, and how to share Jesus while joining Him on His mission, all of this in the Gospels.

This fall, as a part of our ongoing participation in being followers and wanna-be disciples of Jesus, we will be taking a closer look at the Greg Finke’s new book, as well as refreshing our understanding of the principles of his first book: “Joining Jesus on His Mission”. Through Bible Studies, small group discussions, sermon messages, “on the job doing”, we will discover together that being a disciple of Jesus is at the same time not an easy thing, and as easy as everyday conversation. But beware, this is not just training, this is doing. As preparation, chose your favorite Gospel, or any of the Gospels, and make it your goal to read through it at least twice this summer. We get to know Jesus through where we find him – in the Gospels.

A wanna-be disciple;  
Pastor Bruce

### **COMING THIS FALL!**

Have you ever wondered why the book of Revelation is in the Bible? Have you ever started to read it and given up? Have you read it, and when you got to the end, wondered what you read? These are all common questions and responses to the last book of the Bible. This fall, starting on Thursday, September 14 at 10:00AM, we will be searching the Scriptures together to try and find some answers to these and many more questions. Start reading Revelation now, and see you in the fall.

## Applying Bible Principles

### Something to Think About

*"Freely you have received, freely give."*

*"From everyone who has been given much, much will be demanded;  
and from the one who has been entrusted with much, much more will be asked."*

Jesus, God's only Son, freely gave Himself as a sacrifice. We have been given the Holy Spirit, holy Christian church, the communion of saints, the forgiveness of sins and the resurrection of our bodies into life everlasting with Him. Yes, freely we have received. We have been given much and entrusted with much.

Many around us suffer in want and need both spiritually & physically. They have need of that which God has given us. As God has freely helped us through Jesus Christ, we, in Christ, devote ourselves to helping those around us. We share the good news of the Gospel message and we reach out in acts of service. By the power of His Gospel, we who have been entrusted with much freely give.

Here at Trinity, we have chosen many different methods of proclaiming the Gospel message & meeting the physical needs of all. As an example, we worship in a building that stands as a confession of our faith to the community. The Holy Spirit has equipped each of us with gifts to share the Gospel, as well as to share resources, with those in need.

Because of God's grace extended to us, we rejoice in the proclamation of the Gospel and support this outreach for the benefit of all. Because God has freely given to us and because of His work in our hearts, we freely give. In loving service and without expectation of gain, we give money, we use our abilities and we volunteer our time to freely share for the benefit of those around us and to the glory of God. "Freely you have received; freely give."

## Sunday School News

(Sunday school hours are 9:10-10:20am)

The children ended their Sunday school year by celebrating the 148 combined acts of service they accomplished and pondering how they can continue to share God's love with their community. To help with our brainstorming the children were supplied a list of 52 ideas. These included; rake leaves or do gardening for a neighbor, have a family round of shoulder massages, sing for the elderly and take cans of food to the local food shelter. The children also were given red noses that were purchased with their SS offering. The Red Nose fund supports projects that ensure kids are safe, healthy, educated and empowered in the poorest communities in all 50 states, Latin America, Asia and Africa.

**Sunday school will start up again on September 10<sup>th</sup>.**

God's blessings on your summer fun.

A big **THANK YOU** to everyone who helped make Trinity's Vacation Bible School a huge success. It takes many hands to pull off this amazing fun-filled week. The care & love you showed the children while teaching them they are made for a purpose was AWESOME!

Thank you for your generosity and hospitality in allowing us to rent your kitchen for the preparation of our lunches for our patrons. We have often times received compliments from our patrons as to how smoothly our lunch service went even during construction on our kitchen and we can honestly say that it would not have been possible without your help. Your church has epitomized the Christian pillars of kindness and selflessness to your fellow man and shine as an example of why Hillsboro, Oregon is such a wonderful community to live and grow. Thank you for your support and for being a truly exceptional community partner.

## Missionary Support Opportunity

In 2015, I had the opportunity to travel to the city of Aizawl, India, to volunteer at the Gan Sabra home for HIV+ Orphans. It was an amazing experience which I still hold very close to my heart, and I'm overjoyed to say that I have been given the opportunity to go back this August!

I'll be traveling through Orphan Outreach, a wonderful organization that aids and ministers to orphans around the world. Along with my team, I'll be helping to put on a VBS-style program for the kids, and continue to build relationships with the children and in the community. When spending time with the children, our main purpose is to minister to their needs by building relationships to show each child that he or she is loved unconditionally and is special in the eyes of our Heavenly Father. The children at Gan Sabra are so sweet and full of love, and it's truly an honor to know them; I honestly can't say enough how excited I am to see them again and to continue to work with them!

However, I can't do this on my own, and would really appreciate any help I can get from my friends and family. I am grateful for all the support I've received from you in my life so far. If you're interested in being a part of this journey with me, there are a few ways you can help:

One of the big ways you can help me is to pray for the ministry we will perform and for me personally. Please pray that all work would be done according to God's will and for His glory. Also pray for the children we will serve, for unity among my team, and for safe travels.

If you would like to give financially, I am working to raise the individual trip cost of \$3,675. This includes airfare, food, bottled water, lodging, ground transportation, interpreters, travel insurance, sightseeing and cultural events, etc. Donations can be made by checks (made out to "Orphan Outreach") or online at [orphanoutreach.org](http://orphanoutreach.org)

I am also collecting cans and bottles to return to raise money. If you'd like to donate any cans or bottles you have lying around, or if you know someone who does, that would be awesome!

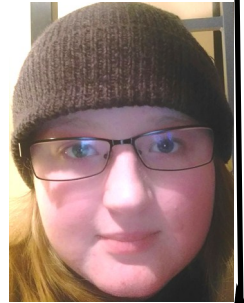

I also am looking for extra work opportunities over the summer. If you need a babysitter, dog-sitter, etc, or anything else you can think of, I'd really

appreciate you sending that my way if you can!

I will be available at the church on Sundays throughout the summer, and would love to tell you more about my trip and answer any questions you may have.

Thanks so much for the influence you've had in my life! And, thank you to all who have helped me so far in my journey in many, many ways.

In Christ,  
Hannah Wilson

## Trinity Youth Summer Plans

The two big things the youth are doing this summer is Creation Festival and theONE Gathering. Creation is July 12<sup>th</sup>-16<sup>th</sup> and will be a wonderful few days. This is a three day Christian music festival that is just packed with amazing artists. Some of the bands that we will be seeing are Skillet, Hillsong Wild & Free, Family Force 5, Relient K, Tenth Avenue North and twenty-three other bands. Sprinkled in between the bands are awesome speakers like Bob Lenz, Mike Donehey, Preston Centuolo, Terrence Talley and ten others. Aside from them, there is morning worship and Bible study along with vendor stands, food, and fun games for youth. This weekend will be one for the books and we are excited to be attending again this summer!

The next big thing is theONE Gathering July 19<sup>th</sup> -23<sup>rd</sup>. This is a Northwest District wide gathering at Concordia University for worship, speakers, Bible study, and most importantly service projects daily throughout Portland. Why would we be doing a high school mission trip to a district gathering in Portland? Here's why: college students when asked about their church experience preparing them for college answered that the best things for them were talking about touchy topics because college talks about that stuff all the time. The second was mission trips. Having an experience that got youth out of the safety of their church and people that are like them and seeing a world as it truly

is—a broken world in need of a savior. Students want to be in a community where God's Word can be openly and honestly studied, sees the world that needs a savior, and gives them the tools they need to meet the challenges they face on their own and away from home. TheONE Gathering is providing an experience for high schoolers that is built around this premise. TheONE Gathering is primarily a mission trip. We will be working with agencies through-out the greater Portland-area to provide participants with significant opportunities for service. And each evening, we will gather to share and process their experiences together through stories, music, and time in God's Word. This is going to be an amazing experience; please pray for the fourteen of us who will be participating in theONE Gathering.

Apart from these two major events, we will be doing smaller day events like hiking, Portland trips, bowling, putt putt and other things to fill our summer. Stay tuned for the schedule on all those events

Blessings,

Josh Nix
