

“...but be filled with the Spirit, speaking to one another in psalms and hymns and spiritual songs, singing and making melody in your heart to the Lord...” Ephesians 5:18, NKJV

Dear Church Family,

As a child growing up in church, I had drills and pledges to memorize and to recite each week as we began our youth meetings. One of the pledges we recited every week was, “I promise to keep a song in my heart.” I didn’t know what those words meant then, but as I continue on this Christian journey, I discover the wisdom and meaning of those words more and more each day.

The forces and tragedies of this world will attempt to steal our song, but our song is our hope for living: its our strength, its our resistance, its our power. Sisters and brothers: We can’t afford to lose our song. We must keep singing the songs of Zion, announcing to the world the Good News of Jesus Christ, of new life and victory!

Won’t you continue to join your voice in our collective melody as we continue holistic family ministry this October? Please check the calendar, weekend reminders, the bulletin board in the vestibule, and the video announcements each week for information on the latest ministry opportunities.

Family: Know that God loves you, your church family loves you, and I love you. Take good care of yourself and each other and I look forward to *making melody unto the Lord* together.

**Singing in the Spirit,**
