Life is filled with swift transitions.

Learn how to navigate by using the G. P. S. System. God Posi-
tions Situations to keep us on His path. Some situations are
more challenging than others, but if you follow the voice of the
system, He will lead you to your Divine destination. The bonus
is, He knows where the delays and detours are and wants to
keep you away from them. His Word is a lamp upon your feet
and a light unto your path!...

Be blessed,
PAS
