practices. These programs have been proven to
decrease family caregiver distress, burden, and
depression, while increasing caregivers' sense of
competence and confidence in their care role.
Each program is delivered in two-hour sessions
over a six-week period and participants will re-
ceive a detailed trainer and caregiver manual up-
on completion.

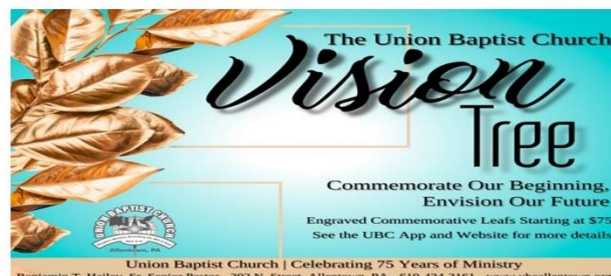

The remaining classes are:

Dates: December 7 and 14, 2023, Jan 4, 11, and

mation

We have entered the Advent season. And it truly is the season to
be jolly. Not because of Santa Clause. Not because of lights and
trees, ornaments and gifts. This season, we are jolly for Jesus!

Advent means a coming. For us it is the coming of the Savior, Je-
sus Christ. It is a season of devotion. Make these next four
weeks a personal devotional to Christ. Refocus your life, so that
it aligns with His coming into you and creating a new **creation** of
you.

We are more than grateful for the coming of Christ!

Be devoted,
Be refocused,
Be blessed,

PAS
