From the Pastor's Desk

As the school year comes to a close, it becomes important that parents and their children walk by faith.

Parents must have faith that God will protect your children over the summer months. Children must have faith that God will provide an atmosphere of care and comfort in the home. Our ability to trust God with the seemingly little things will come in handy when the real storms of life occur.

Summer is on the way. Have faith in God...

Be blessed,

PAS
