Compassion is not weakness. To be a compassionate person is a badge of honor. It forces us to live life from the perspective of our Savior and Lord. Michelle Obama once said when they go low, we go high. When confronted with the rough side of people, the compassion of the believer takes us into the high place of God's presence, and He then works out His will, as we work to show His ways of love peace and joy.

Let your compassion for life be shown in every encounter you have with others. It's how we build right relationships.

Be blessed, PAS
